Supervisors Work on Budget Cut

Additional Village Shop Area Under Construction

Construction has started on an additional \$30,000 shopping area in Orinda Village.

Ed Connelley, Coldwell, Banker & Company, sole agents for the property, stated that a children's shop, beauty shop and men's wear shop would be located in the new building among other enterprises, the nature of which he could not disclose "at this time."

The building is located between the Buehler and Phillips buildings, housing 10 other stores, near the General Petroleum and Standard Oil properties.

Owner of the property and developer is L. Goodwin Husar of Orinda. Contractor is the Ernie Fleener Construction Company of Oakland. Hugh O'Neil and Company is the engineer.

The project is expected to be completed in November and the building alone will cost \$80,000. The property is valued at an additional \$30,000.

The building is planned to be 100 feet wide by 50 feet deep. A second level of similar size is also included in the plans, Connelley said.

Two From Orinda Named To Regional Study Group

Two Orinda men have been named members of a committee from Bay Area counties which will study state legislation concerning regional planning.

The group is headed by Kendrick B. Morrish, a vice president of the American Trust Company in Oakland.

Bruce S. Howard, vice president of Howard Terminals, Oakland, is also a committee member.

The appointments to the 25-man

group were made by Frank E. Marsh, executive vice president of the Bay Area Council, sponsors of the study.

Marsh said that although a law passed by the state legislature in 1957 allows counties to voluntarily form multi-county planning districts, none of the Bay Area counties have joined to form such a district.

There is a growing awareness of the need for planning for the Bay Area as a whole, Marsh said.

Matt Farr Strolls Beaches Later Stormed by Marines

When Walnut Creek's Matt Farr, television store owner, leisurely walked the beaches near Beirut, Lebanon, last summer, he had found little cause to imagine that in 14 months U. S. Marines, combat loaded, would be tramping on the same sands.

His two-months stay in the fabled Bagdad and another short stay at Beirut were principally to visit his mother, still living in Iran, and sister and also to attend to business matters.

His conversations with Middle Easterners touched upon Colonel Nasser of Egypt and the aggressive United Arab Republic, but speculation never ranged so far as to predict that Arab nationalism, communist influence and American interests would soon lead to a world crisis.

FARR TOLD THE SUN, "The biggest news in Iran while I was there was the \$25 million purchase of oil-land concessions by Standard Oil of Indiana. I did some traveling, but mostly visited my family, and we had several family parties."

He added, "My mother is still alive and living with one of my sisters, but my father died about 10 years ago. He was what they called a 'master of ceremonies' at the Kings Court, in the Shah's palace."

"As a boy, I was allowed to visit the palace once or twice. I saw the present Shah in his visit here, and he remembered my father, who held his post mostly during the reign of his father."

FARR'S TWO sisters are married and live in Iran, but his two brothers are living in the Bay Area.

The business part of Matt Farr's trip concerned the establishment of a television equipment concern in Iran, to be related to his own firm in Walnut Creek. These activities and some traveling about in a land he left 15 years ago combined into one well-planned and welcome experience.

"I stopped in Bagdad for one day only. I had never been there before, and I was in Beirut for one day, before boarding a plane for Paris," Farr said.

"It was quiet there, except for the usual political discussions. I visited the airport and the beaches near there on the Mediterranean. It was beautiful and quiet."

THE FINAL LEGS of his trip were Italy, Switzerland, Paris, France, Brussels, in Belgium, where the Worlds Fair had begun, and England.

The stay in Paris lasted 10 days and coincided with the domestic troubles, and rise to power of General DeGaulle. This was the Walnut Creek man's first visit to Paris. Relatives in London saw Farr to his plane, bound for New York.

Matt Farr was born and grew up in Iran. He came to the United States 15 years ago to study business administration at the University of California, Berkeley.

After getting his degree, he worked in Oakland and El Cerrito, and then Walnut Creek. For six years he owned his own business in Walnut Creek, where he resides with his wife, Bobbie, and two daughters.

THE NEW PRESIDENT of the Orinda Woman's Club, Mrs. Edw. A. Patterson, is shown with her daughter, Carol, at their home at 9 Douglas Court, admiring the lovely view from the Orinda hills.

Car Crash Suit Filed

A \$100,000 damage suit has been filed in Superior Court against a 15-year-old Orinda girl and her father.

Defendants in the suit, the outgrowth of an automobile accident in Orinda June 7, are Ritchie C. Smith, 8 Santa Lucia Road, and his daughter, Deborah.

The plaintiff is Gerald Nault of San Anselmo, who brought the action on behalf of his son, Lowell, 18.

He was one of the passengers in a car driven by Deborah Smith, the California Highway Patrol reported, when it hit a bus passengers' shelter on Manzanita Drive, and turned over.

The complaint says a young Nault's injuries included the loss of several teeth, and head and jaw injuries.

Children Blamed For Orinda Fires

Children playing with matches were the cause of three grass and brush fires in Orinda during the last few days, according to Fire Marshal William Koch.

In all cases, he said, the youngsters, ranging in age from 5 to 11, were apprehended and they and their parents warned.

Monday afternoon there were two fires. Shrubs, trees, and a fence were damaged in the lot adjacent to 32 Camino del Diablo, and brush was burned at the rear of Dr. Frederick C. Burton residence at 31 Tappen Lane.

Tuesday firemen put out another brush fire behind the I. L. Leiber residence at 2260 Overhill Road.

Reception Set In Orinda Home for Controller

A reception honoring State Controller Robert C. Kirkwood and his wife, Jean, will be held at the residence of the Paul Handlerys, 13 Virginia Drive, Orinda, according to an announcement made by Mrs. Hal Bates, chairman of the Contra Costa Campaign Committee for the Re-election of Controller Robert C. Kirkwood.

The affair is scheduled for tomorrow from 5 to 7 p.m.

Mr. and Mrs. Jack Pedder and Mrs. Barbara Heigho, will function as hosts and hostesses, according to Mrs. Bates, who will preside over a discussion of Kirkwood campaign plans for Contra Costa County.

Alamo Hospital Turned Down by County Group

An application by Dr. Samuel Levine of Hayward to establish a 40-bed hospital on Danville Highway, opposite Sunnybrook Road, Alamo, was turned down this week by the County Board of Adjustment.

Dr. Levine and Arthur Case last January had presented arguments for location of the hospital in the residential area, and were met by many arguments by local residents. A large crowd of dissenters appeared.

The Board of Adjustment members said that they the applicants had failed to prepare a map of the proposed structure or a list of area residents who favor the hospital.

Fire Marshal Asks Parents to Curb Young Firebugs

Children have started 10 out of 12 grass and brush fires in Orinda since the first of this month, Fire Marshal William Koch said yesterday.

Asking for more supervision on the part of parents, he gave The Sun the following statement:

"WHAT IS WRONG with the parents of Orinda youngsters?"

"In the June 20 issue of The Sun I made an appeal to the people of Orinda, asking them to cooperate with us concerning the shooting of fire crackers on the Fourth."

"I also talked to children attending the summer session at Pine Grove School. The results were beyond expectation, 22 boys voluntarily turning in their fire crackers, about \$60 worth in all. This is most commendable, and gratifying."

"I was on duty the Fourth until 5 p.m. My family and I were invited to a barbecue that evening. Just about the time the spare ribs had that 'tantalizing' look the station called me to investigate the shooting of fire crackers in various sections of Orinda."

"That was at 7 p.m. At 11:15 p.m. I was still out. Thank you all for the fine evening you gave my hostess' dog, for he certainly must have enjoyed my dinner."

"A FEW WEEKS ago my wife and I visited a young boy at the Children's Hospital. In his ward I met two youngsters, a boy about six and a girl about eight."

Both of them were to have plastic surgery on their faces, disfigured by second and third degree burns.

"I silently thanked God that up to now we have been spared the horrible ordeal of seeing a child trapped by fire, wondering, though, just how much longer our luck will hold out."

"The number of fires caused by children this month is almost unbelievably high. Since July 1 we have had 12 grass and brush fires, 10 of which were caused by children between the ages of four and 12."

"WE REALIZE that a child cannot be watched every minute of the day—but he can be taught."

"Sometimes the old hair brush or razor strap has to be the teacher when psychology fails."

"But parents should know how best to deal with their own children. I urge Orinda people to teach their youngsters the dangers of fire."

Death Claims George Warren

Services were held Wednesday for George Henry Warren, Sr., 81, of 2137 Blackwood Drive.

Mr. Warren, a retired steamfitter and building maintenance employee at the University of California, leaves his son, George, Jr., of Walnut Creek, two grandsons and three great-grandchildren.

He died Sunday at a rest home. Rites were held at the Little Chapel of the Flowers.

Disneyland Visited

Mr. and Mrs. Albert H. Stein, 144 Moraga Way, Orinda, and their son, Al, visited Disneyland recently while vacationing in Southern California.

Board Seeks Way To Slash Record High County Cost

Contra Costa County supervisors are slashing mightily at department budget requests which total \$40,333,737, some \$8 millions higher than last fiscal year's total of \$32,531,645, and they anticipate that some \$5 millions will get the knife.

This would still leave a total budget of some \$35 millions, and observers say that despite anticipated increased assessments of perhaps \$34 millions, last year's tax of \$2.17 per \$100 may not do the job.

It is possible that the tax rate may go up 10 cents or more for the fiscal year, 1958-59.

LENGTHY HUDDLES are taking place between the supervisors and department heads, and the keynote has been, "Cut, cut, cut."

Even before the proposed \$40 million budget reached the supervisors, County Administrator Desmond Teeter had reduced the department heads' requests by some \$818,500, he said.

The supervisors this week voted to send the requests back to the departments, and to confer individually with the department heads.

They have already cut some \$300,000 from Dr. George Degnan's original request of some \$3,793,000 for County Hospital budget, and have deleted some \$2,800,000 from Victor Sauer's original Public Works Department budget of \$9,168,000.

THE PUBLIC WORKS cut will take about half of the funds for new roads and rebuilding of old roads, they noted.

Postponed until a later time was a proposed allocation of \$147,000 for new hangars at Buchanan Field, and \$136,000 for a new administration building at the field. It was reported that all other building projects, except those already committed by contract or subject to federal or state matching funds clauses have been deleted.

Big items on the budget are storm repair projects and the county welfare program. The latter is controlled by state and federal law.

THE BUILDING maintenance request was reduced by \$136,000, and the probation department by \$30,000.

Interviews are pending for County Health Officer Dr. Henrik Blum and Sheriff Harry A. Brown, and Librarian Bertha Hellum.

Their preliminary requests are respectively, \$1,170,132—\$1,153,731—\$651,772.

The "final" proposed budget will be prepared by Teeter and County Auditor Howard McNamer.

It will be reviewed in public hearings next month.

About Six Weeks Work Remains on Village By-Pass

Only five to six weeks work remains to be accomplished for the completion of the Orinda Village bypass, according to the Construction Division of the County Public Works Department.

Some 35 men are still on the job, and only several pieces of heavy equipment remain. Among these are two earth rollers, a water carrier and paving machine.

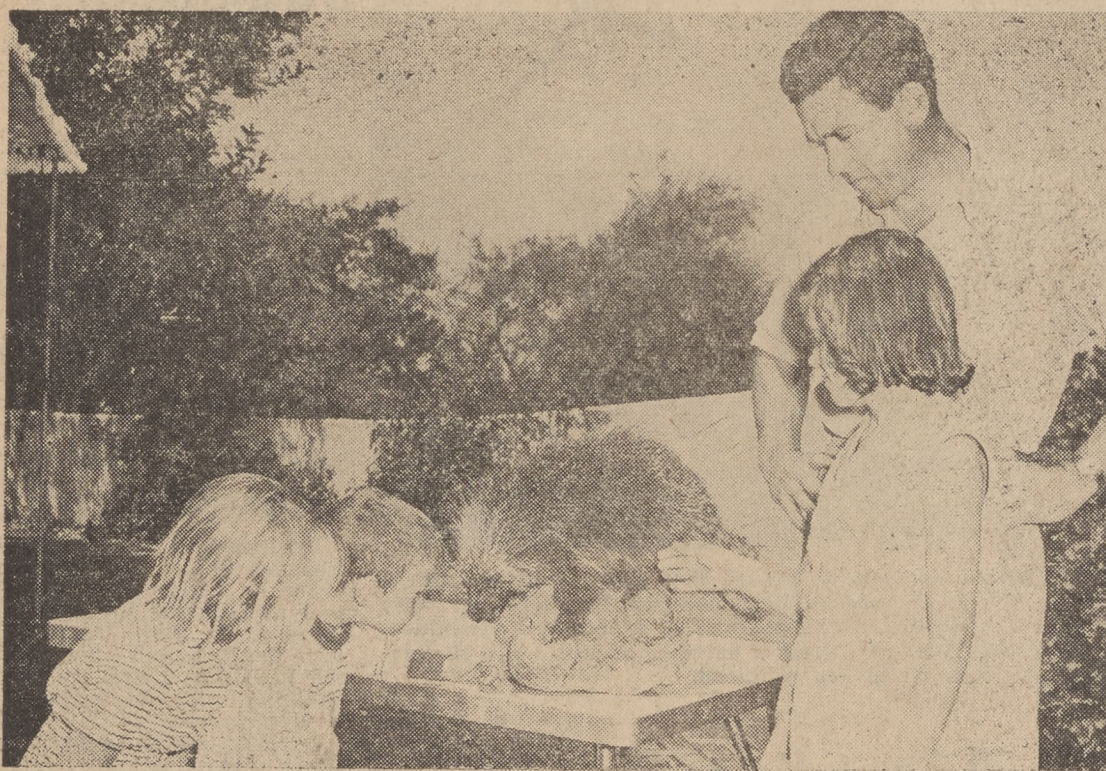

Culverting of San Pablo Creek has been completed and the open channel remains to be concrete lined.

The project was to have been completed by August 1, but heavy winter storms delayed the project about one month.

Possible Arsonist Being Sought by Sheriff, Firemen

The Contra Costa County Sheriff's department and the Central Fire District are still conducting an investigation in connection with a fire that caused \$800 damage to an empty wooden shed on the Diablo Vista School grounds July 17.

Chief Bill Nottingham of the Central Fire Protection District said a resident told him she heard a car leave the scene about midnight. The blaze was reported an hour later. Nottingham said that several leads are now in the process of being "checked out."

PORKY IS JUST one of the many animals who will greet visitors tomorrow at the Diablo Junior Museum Science Fair at Walnut Creek School. Looking over Porky in advance are, left to right, Marnie Lindsay, Lester Howard, Anne Lindsay and Alex D. Lindsay.—Sun photo by Richard Morse

Fascination Awaits at Jr. Museum's 'Fair', Tomorrow

Whether its a fascinating animal, an unusual plant or technicolored mineral that would intrigue you, the young people of the Diablo Junior Museum will have it—at their fourth annual "Science Fair" tomorrow morning and afternoon.

The "Science Fair" will begin at 11 a.m., tomorrow and will last until 3 p.m., at the Walnut Creek School on Walnut Boulevard, just north of Ygnacio Valley Road.

Admission is free, and the popular food booth will be operated by members of the Junior Museum Alliance, thereby taking care of the lunch problem.

THE FOOD BOOTH will have coffee, hot dogs, doughnut holes and punch.

Judging of exhibits will be held in the morning, and the winners will be announced at 1 p.m. Basis of the judging will be the quality of the exhibit, but also the age of the exhibitor, and the personal effort expended by the exhibitor.

Classifications in live animals are aquariums, fish; terrariums, including amphibians like frogs, turtles, lizards, snakes; miscellaneous pets, as pet birds, but not cats or dogs.

Other classifications include sea shells, rocks and minerals, insects, and plants.

ALEX LINDSAY, JUNIOR Museum mentor, said, "I expect that some unusual exhibits will turn up. They usually do, like last year, when a boy brought his tame hawk trained for falconry."

"AND WE ALWAYS GET a wide assortment of snakes, turtles, lizards, and many from out of our area, and as far south as Mexico," he said.

More than 100 children are expected to take part in this "finale" for the Junior Museum classes held this summer at Walnut Creek School and East Contra Costa Junior College.

Instructors have been Ferd Ruth, at the Junior College, and Gene Goselin, at the school. Ruth is a biology instructor at the junior college and Goselin is a biology instructor at Pleasant Hill High School.

The prizes to be awarded include a number of live animals, such as ducks, turtles, guinea pigs, snakes and the like. Ribbons will be attached to the winning exhibits.

The Alliance has about 25 members which helps wherever possible in the Junior Museum program.

School Budget Reaches Record High In Orinda

A hearing on the proposed Orinda Union School District budget for 1958-59, calling for a record high of \$1,200,747, has been set for 7:30 p.m. August 4 in Pine Grove School.

Superintendent Joseph Sheaf could not be reached by The Sun for comment on how the budget might affect the current tax rate of \$2.73 per \$100 valuation.

The tax auditor will be set by the state auditor's office in mid-August.

The total of last year's budget was \$1,115,954.

Biggest expenditure planned by the school district for the coming year is \$807,144 for instruction as compared to \$862,709.11 last year, and next is school plant operation at \$39,485 as compared to last year's \$79,062.

Almost as costly in Orinda is school transportation, for which the 1958-59 budget allows \$84,700 as compared to \$76,748 the previous year.

But local taxes are expected to account for \$528,822 of the district's income this coming year, a decrease from 1957-58, when district taxes produced \$576,886.

The new budget, however, calls for an increase in anticipated state apportionments—\$572,290 as compared to \$506,231 the preceding year.

Almost Repentant 'Wish They Had'

Two "almost repentant burglars" didn't quite make the grade yesterday and ended up being arrested.

Sheriff's deputies Fred Teuscher and Earl Falkstrom of the Contra Costa Substation, spotted a car near the Tunnel Inn on Mt. Diablo Boulevard early yesterday morning and noticed extensive camera equipment in the car.

Shortly after two youths, Odello Zunino, 18, and Jim Rogers, both of Oakland, approached the car and informed the deputies that the equipment, \$400 worth, was the property of Zunino's parents.

After checking credentials, the youths were released by the officers.

At 7:30 yesterday morning, Willie MacNeal of Richmond, a janitor, called Jay Bedsworth, owner, and informed him the Tunnel Inn had been burglarized.

Inspector Norman Wilson dispatched officers to apprehend the boys.

Meanwhile, the youths returned to the Tunnel Inn and informed Bedsworth they were sorry and wished to return the goods taken. Bedsworth reprimanded the boys and told them "the matter is out of my hands, go to the Sheriff's office." Bedsworth then called the sheriff's office to tell Wilson Rogers and Zunino were on their way there.

That's the last anyone saw of either boy or the camera equipment until detective Louis Skuce picked them up in Oakland along with Oakland police inspectors.

Skuce commented that the boys "just panicked" on their way from the Tunnel Inn to the Sheriff's office and that "the court will take into account their cooperation and willingness to make restitution."

Death Car Driver To Face Trial

Trial of Donald Ray Sousa, 21, Danville, on a charge of manslaughter with gross negligence has been set for September 30 in Superior Court.

The date was set by Judge Norman A. Gregg after Sousa pleaded innocent to the charge, which was filed after a Lafayette man was killed in an automobile collision May 31 on Mt. Diablo boulevard near Carol Lane.

The victim was William A. Pearson, 58, of 3353 Victoria avenue, a passenger in a car driven by Walter A. Nelson, 63, of 3372 Victoria avenue.

July Weather Remains Cool

Overcast skies kept summer weather cool in Orinda during the past week, with the thermometer reaching 80 on only one day—Monday.

Temperatures recorded here during the last seven days:

	High	Low
July 17	70	57
July 18	73	54
July 19	74	54
July 20	78	54
July 21	80	55
July 22	71	54
July 23	73	54

Training Completed

Marine Pvt. Erich C. Gehring, son of Mr. and Mrs. Conrad J. Gehring, of 289 Glorietta Boulevard, Orinda, Calif., completed four weeks of individual combat training Wednesday at the Marine Corps Base, Camp Pendleton, Calif.

Orinda Lions Club

The Orinda Lions Club will hold its annual barbecue September 20 on the Moraga Valley ranch of its president, James R. Lucas.

He has appointed Joe Navone general chairman in charge of arrangements for the event.

ANYONE FOR COOLING off? That is what little Brian Rush has in mind, and he certainly knows how to pick the weather for it. Of course, the more conventional people are relaxing on the patio with something cool, or taking a dip in the pool, but then, maybe Brian has the right idea after all.

Suburbia Scribblings

By MARIE MONAHAN

Corn On The Cob

"DOGPATCH, U.S.A." was transplanted to Lafayette last Sat. nite for something different in the way of benefit parties. Members & guests of Mayten Branch hightailed the hillybilly-style over to the Laf. Vets Hall for the COUNTRY FAIR summer party which has been traditional w/the group, for the past two seasons. There was Square Dancing as well as polkas & popular, games of chance & contests of good old days gone by, and at the door, eye-catching & colorful, an heirloom patchwork quilt belonging to Betty Kallam served as a gay bucolic backdrop for the food booth featuring homemade preserves & pastries contributed by the members.

AT THIS CHILDREN'S HOSPITAL benefit... Laurie & Ed Patterson at the door w/rolls of tickets... Earl & Jean Vicars (SHE in red & white gingham shouldering a white organdy stole) telling their new home in Woodland Terrace is nearing completion, painting it being the current problem. Chrmn. Joy Nedder-son taking the name of Elmira for the evening, VERY confusing, as ALL members were wearing nametags of very misleading old-time monikers... The Ed Shermans scooting downstairs to the Games... The Cliff Benjamins late-comers, Madeline in a black & wht. Daisy-Mae dotted dress... A Lanz red print for Maxine Osmunson dashing around between dances.

A provincial print in mustard tones for Jo Mirov who sat sipping coffee w/her husband Ken & Betty & Bob Yeaman, all surrounded by kewpie dolls WON at the Fair, the foursome having enjoyed dinner at Cape Cod & a Community-Sing around Art McCue's piano, complete w/the aid of song books. Jo, incidentally, left mid-week for Wisconsin to visit w/one of her dearest old friends, who is vacationing in the U.S. from a residence in Oslo. The children were to accompany Jo, but wouldn't you know! The day before departure, THEY got the Mumps!

DOWNSTAIRS, Games in full swing... Ed Walsh wishing his REAL Golf game was as good as his 3 times hole-in-one-Luck on the pee-wee golf putt... Caroline nryb w/Ken & Helen Hoffman... The Jack Blocks, he carrying home a Scotchplaid cooler won during the eve... Jim & Darlene Byer pitching pennies.

The Ring-Toss Game MOST intriguing - raison d'etre, the hosiery-model plastic legs kicking out of black & red crinoline skirts bore name tags too up-to-date ones, like "Gina," "Sophia" & "Brigitte." Here, Betty Mainwaring (she took the name of Belle for the night) doing a brisk business while Ross did duty dispensing drinks upstairs. Tink Ammon stopping at the booths w/a cigarbox full silver. Fae & Con Smith w/the Ed Roberts... Lois & Mike Dugener sitting ONE out on the sidelines.

FULL CIRCLE on the Dance Floor... A Happy B'day from the orch. & aud. to Tom Hancock of Pleasant Hill who dances regularly w/the Lafayette Square Dance Group. Doris & Don Simpson joining THEIR crowd during intermission, friends invited to Al Fresco Fare at their Dolores Way adobe in Orinda earlier from which the Simpsons will move soon into a new home in Burton Valley. The Jim Reichals, nryb. neighbors, have bought the Simpson's place & WON'T have so far to transfer THEIR treasures.

SOME OF THOSE gathered early at the aforementioned party were the Tom Kallams, the Harold Olsens, Frank Shurers (this lucky pair won a trip to Miami pre-summer), the Burt Churches, Ben Singers, fairly recent newcomers Sally & Bob Cathcart and Sal & Betty DeGuarda. Louis and Vaece Harmon were on hand, too, THEIR big vacation plans to fly to Vancouver, cover Canada, then home by boat, freighter-fashion, their younger boy Peter to accompany them while Bill, the eldest, takes to HIS camp lore at Malibu.

Symbolism On The Sussex

"THE CHALK GARDEN," the Dramateurs current Doing that describes the people as well as the plantings, played to a fairly good opening night aud. Friday at Laf. Town Hall. But better still, a SRO one on Saturday. With this one wknd. more to go & word of mouth RAVE notices, the Garden should chalk up another success for the local Theatians at their Theater-In-The-Round.

SPOTLITE IMPRESSIONS... The fragile white wicker furniture perfect foil for the fragile characters in the English country house in Sussex... The "little touches" of props taken away or added to by tall blonde Lucy Hupp during the brief intermissions... Phil Stearns' acting job of "Judge" reminiscent of Joe Cotton's TV courtroom scenes, Stearns probably w/more experience than Mr. C. having played for yrs. w/the Henry Duffy players in Oakland. Tish Winkworth's makeup & EVERY move worth seeing.

FIRST NIGHTERS... Eleanor Silverman sharing front row seats w/son Mark and the senior Mrs. Silverman... The Robert Bignamis of Lafayette (He summer-teaching at Tech, will be new vice-principal of Frick Jr. H. in Oakland come Fall)... The Ken Courtright, Peggy & Andy O'Brien, the Eugene Logans & Stuart Henderson, watching w/'family interest' as Jean Henderson & dgtr. Judy noted the dialogue.

SAT. NITE applauders... The Mel Jacobuses w/Ethel Tyron 8th grade Pine Grove teacher who weeps & whimpers as Maitland, of Lafayette... They chatting afterwards w/Gary Lawrence, the the manservant... Ernie & Roberta Spiegel, Carol & Bob Harrison, Val & Judy Brooks ALL perusing their programs. Russ & Ruth Gilwee hosting a theater party after an early reception at their Orinda home for HER sister visiting here from Ohio... The Fred Udalls of WC getting a reception, HE past-pres. of the Dramateurs... Em Randall... George & Doris Clifford sitting STILL for a change (They're ALWAYS dancing!) to watch their good friend Jean Henderson masquerade as the mysterious Miss Madrigal.

COKE TIME AT INTERMISSION... Young Judy Henderson's pals a-buzz about her acting potential... Purnell Schen of Laf. w/Kelo Thraillik, Chris Romine, Doris & Ed Stillson, Frontrow viewing for young Margaret Bodfish & Nancy Hanley, Margaret's mother Jeanette Wright calling for the girls later, whisking them home to the Bill Hanleys where a party was under way bidding Bon Voyage to Jeanette & husband Frank who leave for Europe any day, a London meeting w/dgtr. Jean Bodfish on the itinerary.

MORE FOR SUMMER CIRCUIT... Pat Siefker of Laf., Peter Morrissey... Bill Broderick... Annette McComis in animated conversation... the Wendell Spackmans, Conrad Wingfields of WC (he, past pres. of Toastmasters!) Lucille & Joe Sheaff in a group.

If you're a newcomer & miss straw-hat sessions hereabouts, here's your chance to see something GOOD in similar surroundings & help boost our local STOCK! It's well worth it! After tonight & tomorrow's performances, 8:30 PM, a brief respite, and then they'll be back again, reopening w/"DESK SET" Aug. 15, 16, 22 & 23rd.

FROM THE PLAY... Laurel: "Does one mind when one is old what men think?" Miss Madrigal: (reflecting) "One never KNOWS when one is old for certain."

ALL THAT RACKET OUT AT RHEEM Center a wknd. ago? No, it wasn't an airshow stirring up the air currents w/the Clark customers... just Dr. Bob McEligot's flying-friends coming in for a landing for a new innovation in suburban entertainment—a "flying-in barbecue." Most of the flyboys from Exec. Aviation where Bob trains & enplanes w/the stirring, if not unusual, ambition to solo-hop around the World someday!

AT BARBECUE in patio of Howard Hoyt home in Orinda are Al Clement, Mrs. Don Woodcock, Phil Champion, Mrs. Hoyt, Mr. Hoyt and Mrs. Robert Corsi. All members of the Orinda Pool committee, they're getting ready for August 17 barbecue at pool, which all association members are invited to attend.

7 Traffic Accidents Hurt 8 Persons over Weekend

Seven separate injury accidents marred the traffic record in the central county area from last Friday through Monday evening, according to reports filed by the California Highway Patrol.

Stephen Allen Short, 13, 1057 Buchanan Drive, Lafayette, was taken to Kaiser Hospital in Walnut Creek by Jack Benton Snow, 16, 55 Willowbrook Lane, Walnut Creek, whose auto struck the youngster's bike on Condit Road, near the intersection of Windsor Drive, Saturday. Officer William Hamilton reported.

HAMILTON SAID that patrolmen cited Snow for violation of the right of way and driving on the wrong side of the road.

Misao Uchida, 32, of Berkeley was cited for driving on the wrong side of the road Sunday afternoon when his car hit head-on with another driven by Keith Andrew Hoover, 60, 872 Hough Avenue, Lafayette, Hamilton stated.

The accident happened on North Gate Road.

Injured were Nobuko Uchida, 26, and Hiroshi Uchida, four months. They were treated for minor injuries at Kaiser Hospital.

DALE MICHAEL Thompson, 9, 1717 Sunnyvale Avenue, Walnut Creek, was taken to Concord Community Hospital by ambulance Saturday afternoon after he was struck by a car driven by Raymond Carl Hanson, 40 2049 Norris Road, Walnut Creek, on Oak Park Boulevard, just west of Manor Avenue in Pleasant Hill, patrolmen reported.

Hanson informed patrolmen that the child ran from behind a parked car. Hanson was not cited by the highway patrol.

Monday evening, Francis D. Bertsch, 2810 Miranda Drive, Walnut Creek, was cited for driving with undue caution after he ran off Stone Valley Road in Alamo, according to the highway patrol report.

Bertsch and his wife, Beatrice, were both taken to Kaiser hospital and then transferred to the County Hospital in Martinez, Kaiser officials stated.

Lynne Hegerle Troth Announced

The engagement of their daughter, Lynne, to James Booth Hegerle has been announced by Mr. and Mrs. Norris Hubbard Wiggins of Orinda.

The future bride is a member of Alpha Phi sorority at San Jose State.

State. Parents of her fiance, who is affiliated with Sigma Nu, are Mr. and Mrs. Clarence Hegerle of Orinda.

The couple plans to be married next spring.

ARE YOUR LIBRARY BOOKS ALWAYS overdue? Then you've got LOTS of company. Recent library reports reveal that between \$100 & \$150 are collected mthly. in overdue fees... People HERE would just as soon pay the fine as climb the hill in the car to get the books there on time. All it REALLY takes is a phone-call for renewal.

Len & Marge Roth were among those supporting Actor's Workshop again this wk. as have been the Avram Yedidias and many more who are helping the SF players, waiting for Godot, so they can present their "Waiting for Godot" at the Brussels Fair. YOU straighten that sentence out, we haven't the time!

AND OVERHEARD AT THE DRUG STORE: Young Miss to her Mama — "Don't forget, Mommy, we're all out of Multiplication tablets."

Indian Chief To Tell Tales

Pete Warbonnet, Chief of the Sioux, great grandson of Bear Robe, medicine man chief with Sitting Bull, will be at the Pleasant Hill Park, 147 Gregory Lane tonight at 7:30 p.m.

The appearance here is sponsored by the Pleasant Hill Lions Club in cooperation with the Pleasant Hill Recreation District, according to John Price, Lions Club president.

He will tell historical stories of his people, and their customs before the white man came to this continent, as told to him by Chief Eagle Hawk, only remaining Indian under the leadership of Chief Crazy Horse fighting General Custer in his last stand.

His stories will tell of the coming of the white man and the life of the Indian today and will include their clothing, food, hunting, artifact, burial, education, culture, taboos, migration and a demonstration of their dancing with a question and answer period following.

Chief Warbonnet of Oglala, South Dakota, has traveled throughout the United States lecturing as well as appearing on radio and television.

'Senior' Tennis Tournery Signups Being Accepted

The Second Annual Walnut Creek Tennis Tournament will be held at the Las Lomas High School courts on September 6 and 7, and 13 and 14.

Hours will be 9 a.m. to 7 p.m. Jim Snowden, tennis instructor, Walnut Creek Recreation Department, says all Contra Costa County residents, age 15 and up, may enter this tournament sponsored by the Walnut Creek Recreation Department.

Entries may be obtained at the Recreation Center office or at sporting goods stores in Walnut Creek, Concord, Lafayette, Danville, Pleasant Hill, Martinez, Pittsburg and Antioch.

The entry fee will be \$2 per player, singles, and \$1 per player, doubles. Snowden said balls will be furnished by the tournament committee. The deadline for entries is September 3.

Tournament players will be notified by postal card as to time and date of their play.

The tournament will have two divisions. Division I will consist of Men's Singles, Men's Doubles, Women's Singles, Women's Doubles, and Mixed Doubles, age 15 years and up.

Division II is for men and women forty years of age or older, and will have Senior Men's Singles, and Senior Women's Singles.

Tournament Director Snowden says players entering the senior divisions may not enter the singles of Division I, however, they may enter the doubles. Trophies will be awarded for the first two places in each division.

Jim Snowden, tournament director, has announced that boys and girls aged 18 and under who reside in Contra Costa County are eligible to enter the tournament.

Entry fees are \$2 per player for singles, and \$1 per player for doubles. Balls will be furnished by the tournament committee.

Players may enter both singles and doubles. The deadline for entry is August 19 at 4 p.m.

Entry blanks may be obtained at the Walnut Creek Recreation Center or sporting goods stores in Pleasant Hill, Walnut Creek, Concord, Lafayette, Danville, Martinez, Antioch and Pittsburg. Playing time will be sent to entrants by postal card.

Trophies will be awarded for the first two places in each division.

There will be separate divisions for boys and for girls, both singles and doubles in the following age groupings: 18 years and under, 15 years and under, and 13 years and under.

Ring to Speak

Terence Ring, candidate for Judge of the Walnut Creek Judicial District, will be guest speaker today at noon at the meeting of the Walnut Creek High Twelve club at the Masonic Temple, corner of Locust Street and Mt. Diablo Boulevard.

Bancroft Road is Closed to Traffic

Bancroft Road was closed to through traffic for approximately sixty (60) days beginning Monday.

The existing bridge across Walnut Creek will be removed and a precast prestressed concrete girder type bridge deckments, with belled concrete on reinforced concrete abutments, will be installed.

O. C. Jones and Sons, of Berkeley, is the general contractor.

Traffic on Bancroft Road is detoured via Geary Boulevard, Del Hombre, Las Juntas Way, and Mayhew Road.

Final Standings Posted In Orinda Baseball Play

Final standings in the Orinda Summer Recreation Baseball League were reported by Jack Clark, director, as follows:

Third & Fourth Grade League

Team No.	Won	Lost	Tied
Seven	7	1	0
Three	6	2	0
One	5	3	0
Four	4	4	0
Five	3	5	0
Six	1	6	1
Two	1	6	1

Fifth & Sixth Grade League

Team No.	Won	Lost	Tied
Six	7	3	0
Three	7	3	0
Four	7	3	0
Two	5	4	1
Eight	5	4	1
One	5	5	0
Seven	3	7	0
Five	2	8	0

Seventh & Eighth Grade League

Team No.	Won	Lost	Tied
One	5	1	0
Two	5	1	0
Six	4	2	0
Four	3	3	1
Three	0	5	1
Five	0	5	1

Deputy

O-980, Orinda Sun, 7/25/58

Youth Wins Judgment

Injuries received from a blast ing cap in February, 1953, have resulted in an award of \$22,500 in damages to an Orinda youth.

He is David Nelson, 14, son of Charles R. Nelson, 10 Orchard court, who asked \$100,000 in damages in a suit filed in Superior Court in 1956 against Henry J. Kaiser Company.

The boy obtained the blasting cap from the Kaiser quarry near Orinda. He lost parts of four fingers on his left hand and burns when the cap exploded. His father charged safety precaution had not been taken.

Cal Research Promotes Kirk

Dr. Robert S. Kirk of 8 Camino Encinas, Orinda, has been promoted to senior research engineer at California Research Corporation. Dr. Kirk will transfer from the Richmond laboratory to the La Habra laboratory where he will be responsible for research on oil recovery.

Dr. Kirk was an assistant professor of chemical engineering at the University of Wisconsin until 1955. He received B.S. and M.S. degrees in chemical engineering from Illinois Institute of Technology in 1943 and a Ph.D. degree in chemical engineering from Wisconsin in 1948.

Until his transfer to La Habra, Dr. Kirk lived with his patients, Mr. and Mrs. C. L. Kirk.

Haskell on Long Cruise

Midshipman Richard D. Haskell, son of Mr. and Mrs. H. A. Haskell of 69 Camino Del Diablo, Orinda, a student at Brown University, is on a two-month training cruise to northern Europe aboard the destroyer USS Purdy.

Having left Norfolk June 9, midshipmen aboard the Purdy are visiting Spain, Portugal, Holland, West Germany and Sweden between training operations.

Attends ROTC Camp

Hart Wilcox Corbett, son of Mr. and Mrs. William C. Corbett of Orinda, is attending the Sixth Army Reserve Officers Training Camp at Fort Lewis, Wash. He is a junior at Stanford, where he is majoring in political science.

Come, Come to the Fair At Diablo Jr. Museum

By ANNE HOWARD
Big news at all the Junior Museum classes this week!
Come one, come all to the annual Science Fair, to be tomorrow from 11 to 3 in multi-purpose room of Walnut Creek School.
This gala event is prepared by the combined Junior Museum students and their instructors Ferd Ruth and Eugene Goslin to show the work they've been doing, and display their science hobbies.
MANY, MANY collections ranging from sea shells and rocks to tropical butterflies and fish will be found among the exciting displays in the Fair. There'll be refreshments for all, and lots to see!
Prizes will be given to the best entries in all categories, and will include live animals from the Junior Museum "zoo," insect collection equipment, reference books, tropical butterflies to be mounted and rare shells. Sounds like more than one reason for lots of fine exhibits!

The Diablo Junior Museum Alliance is in charge of the event, and committee members include Mesdames Alex D. Lindsay, Frank Young, Matt Connolly, John Floyd, Owen Williams and Harmon Howard.

Don't miss it! The year's ONLY Science Fair.
THIS WEEK'S activities at the Museum classes have centered on preparations for the Fair. Walnut Creek School classes, under Goslin's direction, have been preparing their collections, and working on the study of mammals.

Seen busy in and around the classroom were Jimmy Wisecarver, Kathleen Clark, Chris Plumb, Helen Anne Lind, Philip Swany, Mike Nash, Doris Krauter, Bruce Kalberg, Jim Coe, Sandy Clark, JoAnn and Jim Levatin, Jeanette McCoy, Jay Fry and Randy Raggon. Ron Capps and Roger Stark are extra busy this week both in the "zoo" department and with preparations for the Fair.

The classes held at the Junior College under the direction of Ruth have been working just as hard. Their study this week was mammals and the lab period focused on slides of mammals plus many stuffed classroom specimens which were identified by the student.

The field trip was particularly fun this week, an outing to Ruth's home to study the natural science elements of a suburban back yard. The children played "nature games," as a listening test to see how many non-manmade noises could be heard; an identification race to find the natural objects called, and had a nature treasure hunt.

The hunt for listed objects roundabout the place was lots of fun, the students rushed around the yard bringing in such interesting objects as three grasshoppers, pine needles, lichen, five ants and many other natural things!

The advanced classes had a wonderful field trip too, to Heather Farm to study the pond life and field life. They enjoyed this study with Ruth.

THESE CLASSES have been the last in each summer session of the Junior Museum, and it's to be hoped that all the students will return to classes again next summer and enjoy the fun and learning offered by the Junior Museum.

Don't forget... come to the Science Fair tomorrow and enjoy the displays, animals and refreshments.

Dimes March to Continue To Fight Other Diseases

The March of Dimes will continue.

But the emphasis will not be solely on polio, as it has been in the past, because much of the danger of polio has been eliminated through the use of Salk vaccine.

A program that will permit a scientific assault on major health problems of the nation, with arthritis and birth defects as initial new targets has been announced by the National Foundation for Infantile Paralysis.

Basil O'Connor, president, outlined his new program of future attack on disease and disability at a press conference in New York recently.

WHILE CARRYING on the winning fight against polio, the National Foundation, as it will now be known, will continue its history-making virus program and investigations of disorders of the central nervous system, and will add research and patient aid in arthritis and birth defects (congenital malformations) said O'Connor.

The expanded program will be financed through the traditional March of Dimes conducted each January by volunteers.

THIS IS OUR CONCEPT for the future: The development of an organized voluntary force in the fields of medical research, patient care and professional education, flexible enough to meet new health problems as they arise, with specific goals initially.

"The heart of the new program is research. Research will be expanded from where it is now, without the restrictions of being confined in the future to a single disease. Professional education also will be expanded to cover training of personnel both for research and patient care in all areas of activity.

Freedom to follow research clues wherever they lead will be combined with necessary limitations on patient aid in the beginning, O'Connor explained.

The limitations result from the enormity of the patient care problem: At least 11 million persons have arthritis and rheumatism; 250,000 children are born with significant birth defects each year (excluding birth injuries); an estimated 150,000 persons who have had paralytic polio still will require some assistance in the years ahead.

It is planned to offer patient

aid at first only to arthritis patients through 18 years of age and to children suffering from malformations of the central nervous system also through age 18, he said. Some 16,000 childhood arthritis sufferers can be expected to seek treatment each year and about 8,000 patients annually have birth defects of the central nervous system that are treatable.

Among these conditions are: spina bifida (open spine), encephalocele (open skull) and hydrocephalus (water on the brain).

TO SHAPE A BROAD program in patient aid in arthritis and birth defects, much must be learned about precise numbers of patients, the number and quality of existing facilities and the availability of qualified personnel, the National Foundation president said.

"Our objective in patient care is to continue the polio job until it is finished," he explained. "We have a moral obligation to do this and the American people expect us to recognize this responsibility. We shall begin patient care in arthritis and birth defects, where it will do the most good and, second, on a scale commensurate with the public's willingness to finance it."

While it is not planned initially to provide patient aid for children born each year with congenitally caused mental retardation, Mr. O'Connor said, the research program of the National Foundation may offer new hope in prevention and treatment of this problem.

THE NEW PROGRAM was adopted after five years of unprecedented investigation of areas of need in the health field and careful treatment of the strengths of the National Foundation that could be applied to other problems. Conferences were held with medical, civic and governmental leaders, as well as representatives of National Foundation chapters from all regions of the country.

"As an organized force for medical research, patient care and professional education, we have chosen the broadest program of all," Mr. O'Connor concluded. "Through it, we hope that infantile paralysis one day may be considered only a fortunate beginning."

THE NEW PROGRAM OF THE NATIONAL FOUNDATION

	Research	Professional Education	Patient Aid
POLIO	Yes	Yes	Yes
VIRUS DISEASES	Yes	Yes	No
ARTHRITIS	Yes	Yes	Yes *
BIRTH DEFECTS	Yes	Yes	Yes *
CENTRAL NERVOUS SYSTEM DISORDERS	Yes	Yes	No

* Patient aid for children through 18 is being developed for the near future.

SCRUTINIZING THE ORIGINAL charter issued in 1898 by the California Red Cross whose slogan was "Humanity and Neutrality," are officials of the Mt. Diablo Chapter of the American Red Cross and Contra Costa United Crusade on the 60th anniversary which coincided with the chapter's entry as a Crusade member agency. From left to right are Mrs. J. C. McGeehon, continuous member of the chapter since April, 1917; Mrs. Arthur H. Hammonds, chapter chairman; Eugene Williams, County Admissions and Allocations Chairman, and Duncan Knudsen, president of the Contra Costa United Crusade.

College Trustees OK \$3,575,195 District Budget

Trustees of the Contra Costa Junior College District Monday approved a \$3,575,195 budget for the 1958-59 fiscal year, according to Dr. Edmund J. McCunn, superintendent.

The new budget is \$160,000 higher than the past budget, but the district tax rate is expected to be reduced by 1.7 cents to 34.8 cents per hundred dollars of assessed valuation, McCunn said.

McCUNN NOTED that a 4 1/2 per cent increase in assessed valuation will make it possible to lower the tax rate.

The meeting Monday was held seven hours ahead of schedule and consequently there were no objections by the public.

McCunn said that the meeting was held in accordance with law and that while he was able to give trustees 24 hours notice, he had been unable to notify the press and public because of "pressure of time."

HE COMMENTED the meeting was moved up from its original 4 p.m. time to 9 a.m. at the suggestion of Board President George R. Gordon of Martinez on Saturday.

McCunn added the meeting had been changed in order to have a quorum present at the meeting.

A public hearing on the budget will be held Monday at 4 p.m. with a 30-minute period set aside for the hearing of protests from taxpayers.

The budget indicates that \$3,320,719 of the district's revenue will come from local taxation.

THE DISTRICT will receive \$510,000 from state grants, \$265,000 from tuition paid by non-resident students and expects to have \$394,478 on hand to start the fiscal year, the budget shows.

The district will spend \$1,637,256 on instruction and \$1,248,014 on improvements to buildings and grounds at the Pleasant Hill and San Pablo campuses, the budget shows.

Administration will cost \$98,725 and operation and maintenance at the two campuses, \$300,785.

Retirement costs and other fixed charges are budgeted at \$101,325; pupil transportation at \$27,475 and auxiliary and community services at \$37,115.

James Jotter Joins Capwell Top Echelon

James P. Jotter, 30, of Oakland, has been named the new merchandise manager of the Walnut Creek Capwell Store in the Broadway Shopping Center, it was announced.

General Manager John Tague said that Mr. Jotter will replace Jim Williams, who has been transferred to the Oakland Capwell Store.

Mr. Jotter is a graduate of Berkeley High School and the University of California, Berkeley. He is a second lieutenant in the U. S. Army Reserve.

He joined Capwell in 1955, worked as toy department assistant, hosiery department assistant manager in Oakland. He is a past president of the Akorn

Mt. Diablo Chapter, ARC, Joins UC; Recalls History

By ESTELLE GIRANDE

The Mt. Diablo Chapter of the American Red Cross became the fifth chapter in Contra Costa County to become a member agency of the United Crusade.

The Walnut Creek group was officially chartered on July 14, 1898 as a society of the California Red Cross State Organization. The historical Chapter observed the 60th anniversary of that occasion with the announcement made by Mrs. Arthur H. Hammonds of Walnut Creek.

CHAIRMAN of the Mt. Diablo Chapter, Mrs. Hammonds made the following statement:

"The Board and members of our Chapter are pleased to join with the United Crusade. Due to our recent experience of not meeting our goal, we feel this is the only solution. It seems to us now, that in this manner a more economical job will be accomplished and serve the best interests of the public."

"In this united way of giving, we believe our Chapter will receive its fair share—along with the other local agencies—of the donations given by commuters, businesses, industry, and residents of the community."

THE RED CROSS program is varied and demanding of much attention in many fields it was pointed out by Mrs. J. C. McGeehon of Walnut Creek. A continuous active member since April 1917 in the local chapter, Mrs. Geobon observed.

"Years ago during peace time, and particularly between World War I and World War II, there wasn't too much for us to do. But this is not true today. We have been made to assume many activities such as water safety, home services, canteen and disaster services, motor corp, nursing and first aid courses, grey ladies, disaster and civilian defense, and all kinds of special services. And of course the greatly accelerated population growth has heightened demands on our services and facilities."

In a published report of Red Cross work of the Pacific Slope edited in 1902, which gave the origin of work being done in California, they mentioned the Societies "that sprung into existence with the order for the National Guard as the first volunteers to go to Manila. The regiment was very imperfectly equipped, and the first work done by the Societies was to supply their needs. The State slogan was then 'Humanity and Neutrality'."

The Walnut Creek Society was organized in May 21, 1898 and was officially chartered July 14, 1898 with Mrs. C. R. Leach as chairman, her sister Miss Zura Berry, corresponding secretary, and Mrs. George D. Childs, treasurer.

MINUTES WRITTEN of the initial meeting by Mrs. Leach told of starting with 82 ladies as members. "Many of the ladies lived out so far in the country that regular attendance at the meetings were impossible so while they were much interested and gave us much moral support and sympathy, the work of this Society devolved upon 30 ladies."

They continued, "During the rush of work we met weekly and contributed the following articles to the State organization: 303 abdominal bandages, 350 comfort bags, 124 night caps, 197 pillow

ticks, 2 cases of wine, 2 sacks of prunes, 8 dozen eggs, reading material, \$20.50 for badges, and \$75.00 in cash. Total receipts were \$171.75, total disbursement \$171.50, balance left 25c."

July 18, 1917, the Walnut Creek Society was chartered under the American Red Cross with jurisdiction covering Pacheco, Cowell, Walnut Creek, Alamo, Danville, San Ramon, and Lafayette. Mrs. Leach was still chairman, Mrs. Mabel Robinson, secretary, Norman Bennett, treasurer, and Mrs. Minnie Boone, fund chairman.

They became the Mt. Diablo Chapter in November 1949.

They are housed in a 2500 square foot concrete block building on Civic Drive.

THE SITE was given to the City of Walnut Creek in memory of Mrs. Leach. City officials leased the site to the Red Cross Chapter for their building. Leonard Ford was the architect, and it was built in 1951 to conform to the City Hall structure.

Other Chapters of the American Red Cross sharing in United Crusade funds in Contra Costa are: East Contra Costa, Central Contra Costa, Carquinez, and West Contra Costa. There are a total of 11 chapters in the five county United Bay Area Crusade.

Serving with Mrs. Hammonds are the following officers: first vice chairman, Robeson Smith; 2nd vice chairman, Sheldon Raskin; 3rd vice chairman, Mrs. Julius Loeb; Secretary, Mrs. Ted L. Sosma; and Treasurer, Richard Hurley.

Directors for Pleasant Hill, Ygnacio Valley, Sun Valley and Walnut Creek are Robert I. Schroder, Mrs. Reginald Biggs, Mrs. Robert Caldwell, Mrs. Joseph Bronson and Eldo T. Ewert.

For the Alamo, Danville, Diablo and San Ramon area, Al Kaplan, Raymond Van Tassel, Arthur L. Robson and Mrs. C. Andreasen. For Lafayette, Mrs. E. C. Harter, Mrs. Harold B. Levy and Mrs. L. Shurtless.

Others are for the Orinda-Canyon and Moraga area: Mrs. Robert Williams, Mrs. E. H. Clark and Mrs. Richard Myer.

Today's jurisdiction of the Chapter encompasses sections of Pleasant Hill, Walnut Creek, San Ramon, Danville, Alamo, Orinda and Lafayette.

Holds Closed Door Meeting

The Board of Directors of the Alameda-Contra Costa Transit District met in a closed personnel session Tuesday to discuss the hiring of the District's first general manager.

The executive meeting in District offices at the Claremont Hotel, Berkeley, was requested by Vice President William J. Bettencourt.

Bettencourt, who is chairman of the District's administrative planning committee, asked for the special session his committee had no recommendation to offer following the meeting.

Agreement on whether to hire a manager immediately or wait a few months has not yet been reached, according to Bettencourt. Some consideration has been given, however, to individuals who might qualify, he said.

No salary for the proposed position has been set.

Transit District Suit Date Moved By Marin Courts

The suit of Contra Costa County taxpayers versus the Alameda-Contra Costa Transit District (Act) has been moved up from September 16 to August 12, according to the Marin County Clerk's Office.

Robert E. Nesbit, secretary-attorney of the district requested the date change to enable action on a proposed bond issue for purchase of Key System facilities before September 5, the deadline for getting on the November general election ballot.

THE REQUEST was granted to the district by Superior Court Judge Charles Burstatori of San Rafael, where the trial will be heard.

The cities of Richmond and San Pablo and unincorporated areas of the Contra Costa County seek to be excluded from the district.

THE CITIES and the unincorporated claim that the counting of absentee ballots was not performed according to law following the general election in November of 1956 when the district was formed.

The Attorney General did not permit Contra Costa taxpayers to contest the validity of the district in the courts, but opined that the district's boundaries should be settled in the courts.

Children Also Read, So No 'At Play' Signs . . .

William A. Dundas, assistant county traffic engineer, explained the philosophy behind the county's refusal to permit "Slow-Children at Play" signs to be erected on county roads.

The reason—children can read better than they can reason. Dundas explained that such signs are being removed all over the United States because children are given a false sense of security and they assume that the street is a legitimate place to play.

"AFTER ALL, they can read," said Dundas. "It's not like erecting a cattle crossing sign."

pensive hand-carved signs removed by the county, and more recently, signs were removed in Pleasant Hill's Gregory Gardens. Dundas explained that such signs are illegal, according to county ordinance 1009 which forbids the erection of private signs on a public right of way.

HE ADDED THAT there is no law against the county erecting such signs, but that it is against county policy.

"The signs we've removed have been private signs," he said. "The county's alternative to the signs is education. We try to educate children in traffic safety through the school system and the PTAs." Club, a Capwell employee club.

Thora Ann Oss Plans Wedding

The engagement of Thora Ann Oss and Louis William Schrepel has been announced by the bride's-to-be parents, Mrs. and Mrs. Norman A. Oss of Honolulu.

Miss Oss attended Acalanes High School before enrolling at the University of California in Berkeley, where she graduated last month.

The future bridegroom, son of Mr. and Mrs. Louis A. Schrepel of Oakland, will graduate from UC in January. He is a member of Sigma Nu. His fiancée's sorority is Pi Beta Phi.

Recently resident of Orinda's Sleepy Hollow had several ex-

G. H. Warren Sr. Services Held

George H. Warren, Sr., 81, a resident of Lafayette since 1921, died Sunday in a Walnut Creek rest home after an illness of about a year.

Mr. Warren was employed as a steamfitter for the department of grounds and buildings at University of California at Berkeley until his retirement in 1930.

Survivors include a son, George H. Warren, Jr., Walnut Creek; two grandsons, George H. Warren, III, Walnut Creek, and Robert W. Warren, Oakland, and three great grandchildren.

PROUD OF THEIR year of service are members of the Flickers, Diablo Therapy Center, who are planning their annual "Frolic" for August 2 at Turtle Rock Ranch. Left to right are Mesdames Jack Gordon, Robert Fugazi and Richard Lieber. The other two "ladies" are not members of the "Flickers," but as part of the "decor" will help the annual Frolic along.

—Sun photo by Richard Morse

SPENDING A HONEYMOON in Hawaii is the former Georgina Mary Humphreys, who became the bride of Robert F. Campbell July 12 at ceremonies in Burbank. She is a former Orinda teacher and he is an instructor at Miramonte High School. They will make their home in Moraga. —Photo by Packard Photography.

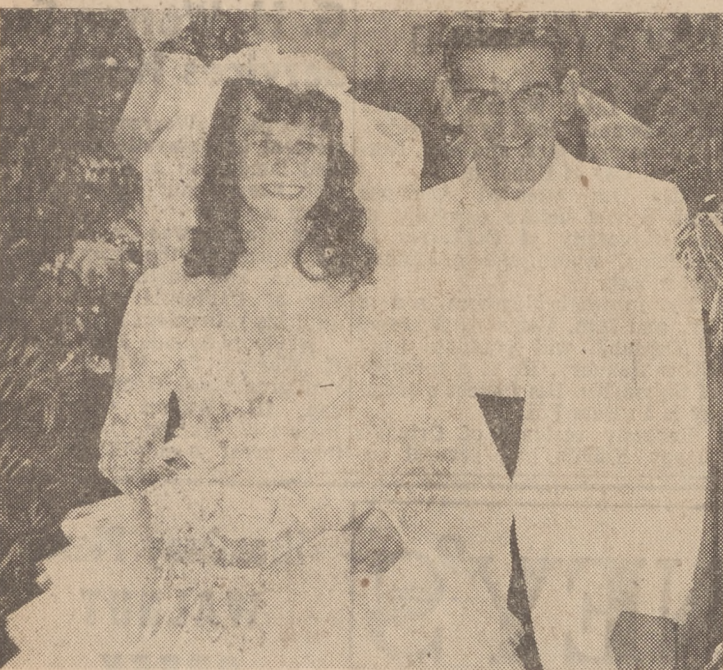

PLANNING TO CONTINUE studies at Santa Rosa Junior College are Mr. and Mrs. Gerald Edwin Patchen, married July 4 in St. Stephen's Episcopal Church. A reception was held in the home of the bride's parents, Mr. and Mrs. James Howell Byrnes of Orinda. —Photo by Hal Mattson.

AT A CEREMONY in the Lafayette Presbyterian Church July 2 the former Miss Elizabeth Phillips became the bride of Vern Carrier. An Acalanes High School graduate, she is the daughter of Mrs. Stanley A. Bell of Lafayette.

A WEDDING August 24 in the Walnut Creek Presbyterian Church is planned by Sandra Joan Gibson, daughter of Mr. and Mrs. Don T. Gibson of Lafayette, and John Evans Gatts, son of Mr. and Mrs. John Gatts of Alameda.

Alfred Jones Is Brother's Best Man

The home of the Alfred Jones in Alamo was the scene of the wedding of Mrs. Ruth Hancock, costume designer for "Playhouse 90" television show, and Carl Bensen, Hollywood actor.

Mr. Bensen is the brother of Mr. Jones, who acted as best man.

The brothers were separated in their early childhood and were reunited on Thanksgiving Day, November 28, 1942.

Mr. Bensen was the Jones' house guest during the last Christmas holidays, and he and his bride-to-be motored from Hollywood for a visit last February.

The new Mrs. Bensen received a nomination for the costumes she designed for Polly Bergen, in her television performance, "The Helen Morgan Story."

The Rev. H. Wesley Van Delinder of the Danville Community Presbyterian Church officiated at the ceremony.

Mrs. Jones was matron of honor, and ushers were Gary Jones, nephew of the groom, and DeWayne Ryan, son of Mr. and Mrs. Vern S. Ryan, Willow Drive, Danville.

The couple honeymooned at Clear Lake and Carmel. They will live in Hollywood.

AMONG JUNE brides from Orinda is Mrs. Robert W. Selden, the former Miss Mary Tania Hudd, daughter of Mr. and Mrs. Stanley M. Hudd. Mr. and Mrs. Selden will make their home in Madison, Wisconsin.

AAUW to Hold Summer Picnic, Aug. 9

The Walnut Creek Branch of the American Association of University Women will hold its summer picnic August 9 at Turtle Rock Ranch on Mt. Diablo.

The affair is social, prepared for the enjoyment of members and their husbands or escorts.

Coffee, dessert and charcoal fires will be provided by the Branch. Members are to bring the rest of their supper and their own eating utensils.

Available will be swimming, horseshoes, ping pong and croquet. After supper Dan and Louise Welby will present light and humorous satire, and a song and dance review. The Welbys will be accompanied by Ruth Martin, A.A.U.W. member.

Mrs. H. Ward Alter and Mrs. Peter S. Bixby are co-chairmen for the picnic. Mrs. Doris C. Yeager arranged the entertainment.

Miss Jones Married in WC Church

Making their home in Lafayette are the new Mr. and Mrs. Watt W. Kaster, formerly of Walnut Creek, who were married July 12 in the Walnut Creek Methodist Church.

The ceremony was performed by Rev. Edward Smith Jr. THE BRIDE is the former Miss Sandra Jones, daughter of Mr. and Mrs. Lyle Jones of 216 Douglas Lane, Walnut Creek. Watt is the son of Mr. and Mrs. E. G. Kaster of West Hawthorne Drive, Walnut Creek.

Sandra chose to wear for her wedding a ruffled skirt with slip-over skirt of embroidered tulle, with short, drawn-up sleeves, and embroidered tulle net.

Her matron of honor was Mrs. W. R. Musgrove of Pleasant Hill, and attendants were Mrs. W. L. Budworth of Sunnyvale and Miss Gale Oldfield of Concord.

Best man was Nathan Kaster, brother of the bridegroom. William Kelso of San Mateo and Earl Grey of Pleasant Hill ushered.

A RECEPTION was held afterwards in the ladies parlors and patio of the church.

Sandra is a graduate of Pleasant Hill High School, and is employed by the California-Nevada Conference of the Methodist Church, San Francisco.

Mr. Kaster is employed by a food company in Oakland.

Local Women Show Fashions At Claremont

An exclusive East Bay presentation of custom originals by designer Gibson Bayh of Gump's was the fashion fare Wednesday, during the weekly "leisurely luncheon with the latest look" series in the Garden Room and adjoining Patio of the Hotel Claremont.

Featuring a wealth of imported fabrics such as semi-antique silks, India cotton, French chiffons, Swiss embroidered silk organzas and Hong Kong satins, Bayh's exotic, predominantly oriental modes ranged from a blue denim Coolie suit to a glamorous black and gold Sari dinner gown.

Guest model for the special presentation was Mrs. Mel Nielson, wife of the Lafayette supervisor.

Last week's show, featuring Jane Andre of California, dress designers and manufacturers, highlighted Fall fashion trends. The show previewed the shorter hem lengths with such hemline interest which will be increasingly popular in the months to come.

Former Orinda Teacher Wed In Burbank Ceremony

Georgina Mary Humphreys, a former teacher in Orinda schools, became the wife of Robert F. Campbell, a Miramonte High School instructor, at ceremonies July 12 in St. Finbar's Church, Burbank.

Georgina is the daughter of Mr. and Mrs. Stanley E. Humphreys, Burbank, and the groom is the son of Mr. and Mrs. John Campbell of San Francisco.

The matron of honor was Mrs. William Dorricott, a sorority sister of the bride at Occidental College, and best man was John Campbell of San Francisco, the groom's brother.

Bridesmaids were Miss Florence Reese, Miss Kay Thompson, and Mrs. John Rogers, all Gamma Kappa Theta sorority sisters of Georgina's, and Mrs. James Cochran, a friend since childhood.

A reception at which the pink and white color scheme of the wedding was carried out was held

at the home of the bride's parents on DeWaver Road. In charge of the guest book was Miss Lina Triede, the bride's cousin.

After a honeymoon trip to La Jolla and Hawaii, the couple will make their home in Moraga after August 1.

The bride wore full length, white silk organza with a chapel train, scooped neckline applied with roses, a wedding ring of roses applied to the skirt, and applied roses on the train. Her headpiece was a white cap, with French roses holding the fingertip veil.

She carried white roses and lilies of the valley.

The bride attended Occidental, University of California at Berkeley, and University of Southern California. The groom attended San Francisco State College and the University of California at Berkeley. He affiliated with Sigma Chi fraternity at California and the Dolphin Club at San Francisco.

Gail Hitchcock, Gaston Panfili Married Here

In ceremonies performed July 12 in St. Perpetua Catholic Church Diane Gail Hitchcock became the bride of Gaston Joseph Panfili.

After the ceremony, a reception attended by 300 persons was held in the home of Mr. and Mrs. Andrew Littorno, 169 Loralee Place, Pleasant Hill. Mrs. Littorno is the bride's sister.

The groom is the son of Mr. and Mrs. Adolph Panfili of Lafayette. Diane is the daughter of Mrs. Frances S. Hitchcock of Chico and Robert K. Hitchcock of Lafayette.

Clipped Wings Meeting Here

The newly organized East Bay chapter of Clipped Wings, organization of United ex-stewardesses, is attempting to muster all United ex-stewardesses in the area in a far-reaching membership drive.

A luncheon at El Nido Rancho in Lafayette at 12:30 p.m. Saturday will honor new and prospective members of the group.

Although invitations have been mailed, the Clipped Wings group is extending an open bid to eligible persons who may not be known to them.

The decor and table decorations in the gold room of El Nido will be under the direction of Mesdames Clayton Russell and Carl Simon, who recently returned from a San Valley national meeting bringing the charter to the East Bay chapter.

Forming the receiving line to greet members and guests will be the newly elected officers, including: Mrs. John E. Tsarnas, president; Mrs. John Norris, vice-president; Mrs. Terry L. Haws, secretary-treasurer; and Mrs. William Dear, Jr., corresponding secretary.

At a recent meeting of Clipped Wings Mrs. Russell, delegate to national convention, reported that the National Assn. for Retarded Children honored national Clipped Wings as one of its three greatest contributors of the past year.

Lovely Rites Unite Faye Davis, Edgar Sayre III

One of the most beautiful weddings of the June season was that of Faye Davis of Walnut Creek and Edgar Sayre III of Sacramento, who exchanged nuptial vows at the Church of Santa Maria, Orinda.

Faye is the daughter of Mrs. Franklyn Harvey Penneck of Seven Hills Ranch road, Walnut Creek, and the late Austin D. S. Davis of Honolulu.

She attended Punahou School in Honolulu and was graduated from Acalanes high school with the class of '54.

FAYE CONTINUED her education at Pine Manor Junior College in Wellesley, Mass., where she was graduated in 1956.

Edgar is the son of Mrs. Alden T. Darrow and E. A. Sayre Jr., both of Sacramento. He was graduated from the University of California at Berkeley in 1956 and is a member of Delta Upsilon Fraternity.

The young couple recited vows before an altar decorated with white delphinium and eremurus. The Rev. David J. Harrington officiated.

THE BRIDE was escorted to the altar by her father, Franklyn H. Penneck.

She wore a white gown appliqued with lace motifs accented by sequins and pearls. The bodice gathered back skirt and chapel train were of silk cloud taffeta, while the high-rising domed skirt was fashioned of silk organza.

The bodice was designed with tiny cap sleeves adorned with small flat bows. Her French illusion veil was attached to a tiny lace cap.

She carried a cascade arrangement of stephanotis, fleur

d'amour and Eucharis lilies.

Seven attendants and a little flower maid preceded the bride down the aisle. Attending Faye as matron of honor was her sister, Mrs. William H. Goodhue of Honolulu.

BRIDESMAIDS were the bride's sister-in-law, Mrs. Austin D. S. Davis of San Mateo; the benedict's sister, Mrs. Marvin A. Shulman of Sacramento; Miss Leilani Andrews, daughter of Faye's Godparents, Capt. and Mrs. Richard S. Andrews of Treasure Island, San Francisco; Miss Judy Cunningham of Huntsville, Texas, former classmate of Faye's at Pine Manor College, who arrived in San Francisco June 1 to be a house guest of the Pennecks; Miss Cynthia Coats of Hillsborough, also former Pine Manor classmate, and Mrs. Don Muller of San Jose, the former Judy Rugh of Walnut Creek and a longtime friend of Faye's.

In the flower girl role was the bride's 2½ year old niece, Brooksie Goodhue, daughter of Mr. and Mrs. William H. Goodhue of Honolulu.

Invited to act as page at the ceremony was the bride's four year old nephew, Gregory Penneck, son of Mrs. Blackford Penneck and Franklyn H. Penneck, Jr. Just as the bridal procession had formed and was about to start down the aisle, young Gregory decided this was not for him so he "took off."

When retrieved from the driver's seat of someone's parked car, the ceremony had started. So the young "page" waited outside.

STANDING AT THE altar as best man was Jack S. Duke of Sacramento. Usher duties were

assumed by the bride's brothers, Franklyn H. Penneck Jr. of Walnut Creek and Austin D. S. Davis of San Mateo the benedict's brother-in-law, Marvin A. Shulman of Sacramento Philip N. Lucas and William E. Thompson, both of Sacramento, and Charles A. Taylor of Redwood City, Edgar's Delta Upsilon brother at the University of California.

William DeBell of Berkeley was soloist at the afternoon rites.

Following the marriage service, a reception was held at the bride's parents' home in Walnut Creek.

The house was decorated with magnolia leaves and blossoms. The receiving line formed in front of the fireplace, which was banked with Japanese maple and mock orange.

THE BRIDE'S TABLE was adorned with silver candelabra and white carnation leis. Faye cut her cake with a silver and Koa replica of a Hawaiian cane knife that has been used at many family weddings and also at the golden wedding anniversary of her maternal grandparents, Mr. and Mrs. John J. Walsh.

Henry A. P. Carter had the knife made for his mother, the late Mrs. M. H. S. Davis, Faye's paternal grandmother.

A THREE-TIERED CAKE found favor after the wedding July 12 of the former Miss Sandra Jones and Watt W. Kaster, both of Walnut Creek. The rites were held at the Walnut Creek Methodist Church. The couple will live in Lafayette.

Orinda Pool Dinner Set August 17

All adult members of the Orinda Park Pool are invited to a barbecue dinner at the pool Sunday, August 17.

Swimming and dancing at the poolside will be included in festivities, said Mrs. Howard B. Hoyt, in charge of arrangements.

"We plan on giving fathers and mothers a relaxing evening away from the youngsters," said Mrs. Hoyt.

On the menu—all for \$5 a couple—will be barbecued chicken, salad, garlic bread, coffee and dessert. Friends of members will be invited to take part. Reservations, which should be in by August 10, may be made by calling Mrs. Hoyt.

Genista Branch To Conduct Car Wash Tomorrow

Genista, a junior branch of the Children's Hospital of the East Bay, will sponsor a car wash tomorrow from 9 to 5 at MacPherson's Service Station at the corner of Broadway and South Main, Walnut Creek.

There will be a donation of \$1 per car, which will go to the Children's Hospital, located in Oakland.

Heidi von Guenther is chairman of the event. The girls will work in shifts of two hours each. Shift leaders are Ruth Watson, 9 to 11 a.m.; Miss von Guenther, 11 a.m. to 1 p.m.; Bev Lucas, 1 to 3; Linda Champion, 3 to 5.

The service station manager is donating soap and materials.

Walnut Creek Takes Lead By Winning Close Games

By ERWIN MATTSON

The Walnut Creek Legion team copped a pair of close ones over the week end and as a result are at the top in the standings.

Walnut Creek has played one more game than runner-up Richmond and has an 11-win 3-loss mark while Richmond has a 10-3 record.

The Walnut Creek team won their Saturday game with El Cerrito at the Las Lomas diamond when Dick Dodge blasted a home run in the second frame after Terry Sieberling reached first on an error.

THAT MADE IT 2-0 and that's the way it ended as neither team scored the rest of the way.

Right handed Don Hopkins wrapped up his sixth Legion win as he shut out El Cerrito with a five-hitter. Hopkins whiffed seven, walked one and hit one batter in his nine-inning stint.

John Flavin, El Cerrito south-paw, struck out 16 and walked two — the only save blow other than Dodge's home run was a single by George Adams.

In Sunday's game with Lafayette Walnut Creek came through in a game that took 12 innings to be decided. It was four-all at the end of the regulation nine.

CLARK RANSOME, who went the distance on the mound for the winners also had a big day at bat. He singled to drive in a run in the seventh and hit a home run in the twelfth with one on to notch the eventual 6-4 win.

Lafayette's big inning was the fifth when three singles plus an error saved three runs. Bob Gillham, George McMeans and Mike Kritscher all tallied after getting singles.

Lafayette tied the game up after trailing 4-3 in the bottom of the eighth when Lou Cosso singled to send George McMeans home from third.

Tom Strain and Denny Toll divided the throwing for Lafayette—with Strain going nine and Toll the final three.

IN SATURDAY'S PLAY Lafayette dropped a 5-4 decision to Harry Ellis at Richmond.

Don Patterson hit a bases-empty homer in the eighth to decide the issue. In the hit department it was Harry Ellis 9, Lafayette 8; in errors, Ellis 5, Lafayette 3.

Denny Toll threw the first six frames for Lafayette with Tom Strain finishing. Jack Carman was behind the plate.

Harry Ellis wrapped up a second win on Sunday when they blasted Rodeo, 13-4.

CONCORD OUTFIT Richmond 12-8 on Saturday but lost to Richmond, 7-3. The big bat for Concord was Ron Lichi who went four for four, including a triple and a double. Russ Wallace had three for five for Richmond.

Playing at De Anza on Sunday Concord dropped a 3-1 decision when Ed Greene struck out nine

Concord batters while throwing a three-hitter.

El Cerrito copped a 3-2 win over San Pablo Sunday. Ted Jarvis, the winning hurler, singled in the fifth and tallied an error to decide the game.

San Pablo outlasted De Anza 6-5 in a Friday night game with Lynch doing a superb relief job, throwing eight scoreless innings. Bob Gonzales' homer with one down in the bottom of the ninth decided the issue.

Legion Standings

	Won	Lost
Walnut Creek	11	3
Richmond	10	3
El Cerrito	10	4
Harry Ellis	8	5
Concord	6	6
De Anza	6	7
Lafayette	4	9
San Pablo	4	10
Rodeo	1	11

School Enrollment In County Jumps 6.7 Pct. in Year

The total attendance in the public schools of Contra Costa was 98,676, an increase of 6.7 per cent over the 92,499 of the previous year, according to county superintendent of schools B. O. Wilson.

The 98,676 includes all students in schools for the handicapped, Juvenile Hall School and adult education.

High school attendance, reflecting the World War II upsurge in the birth rate, was 11 per cent higher than in 1956-57.

1956-1957 % Increase
Elementary—59,629 63,039 5.7
Junior High—9,597 9,864 2.8
High School—19,845 22,033 11.0
Junior College—3,428 3,740 9.1

Total—92,499 98,676 6.7
"Average daily attendance," explained the superintendent, "is the unit of enrollment accounting employed by the state for allocating state funds."

Wilson added that attendance has more than doubled in the last 10 years. The total of 98,676 for 1957-58 compares with 47,341 in 1947-48. The latter figure includes adult education in the various high schools but does not include schools for handicapped or the Contra Costa Junior College District, which were not yet in existence.

Patronize your local merchant, save money.

AMONG THOSE attending cocktail party held Saturday at Jack Cusack home in Lafayette were (from left) Chuck Bosley, Douglas Page and Mr. and Mrs. Bill Borowick.

Flicker Frolic Is August 2; Mrs. Fugazi Is Chairman

"Flicker Frolic," the annual summer event of the Flicker Unit of the Mt. Diablo Therapy Center will be held at Turtle Rock Ranch on August 2.

An evening of swimming and dancing will be highlighted by a barbecue dinner, according to Mrs. Robert Fugazi, chairman.

Cottons and casual-wear will compliment the decor of mid-summer scarecrows, chuck-wagons, and candlelight.

Mrs. Jack Gordon is decoration chairman assisted by the Mesdames Richard Olson, Robert Ramelli, John Mozzetti, William

Hassle Renewed In Grove-Shafter Routing Proposal

Controversy raged again in Oakland over the routing of the proposed Grove-Shafter Freeway which will link with a new Broadway tunnel in Contra Costa County.

Although a route has been adopted, the Oakland Real Estate Board appeared before the Oakland City Council Tuesday and informed councilmen that a private formed councilmen that a private study for a new North Oakland freeway proposal would be conducted.

The real estate men informed council members that they were "not happy with the proposal" and that they will revamp plans for the discarded Richmond Boulevard route.

"I pledge you my word there will be a referendum," after he was informed by the council that final action on the approval of Grove-Shafter route had been taken.

Castro Threat At Hardtops

Julian Castro, San Francisco's main threat to Contra Costa Speedway hardtop leaders, hopes to pick up his first main event victory in tomorrow night's 25-lap feature at the quarter-mile track.

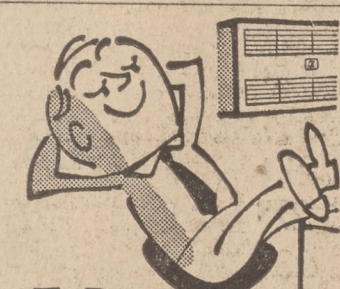

The veteran pilot has been showing a steady improvement since entering a new Number 11 at the Pacheco oval.

His second place finish in last Saturday's feature, third time this year in the runnerup spot, was Castro's best showing of the 12-week old season.

He was top qualifier and copped a heat race while increasing his point total in the driver standings.

Top competition will come from four-time winners Johnny Franklin, Santa Rosa, and Le Roy Geving, Petaluma; Wally and Mel Baker, Sacramento; Hugh Purdy, Santa Rosa, and Gene Dudley, Napa, defending Bay Cities Racing Association titlist.

Nine races are on the program, starting at 7 p.m. with time trials.

Officer Races With 'Bomb' For Outskirts

In the belief that he probably had a lethal bomb in his hands, Walnut Creek Police Officer Rex Cornell raced to his car from the men's room at Hoky's, and drove quickly east on Ygnacio Valley Road to a place where an explosion would do no damage.

Cornell had acted after an anonymous phone call had informed the switchboard operator that a live bomb was ticking in the Hoky's men's room.

Cornell found it in the waste basket ticking.

When he had placed it about 150 yards from Ygnacio Valley Road, he phoned headquarters, and a petty officer from Port Chicago base was called. The officer learned that the "bomb" consisted merely of some wooden sticks and a cylinder taped together, with a timing device.

Orinda Newcomers Group Meets for Bridge Games

The Newcomers Club of Orinda's three bridge groups met last week. The evening, daytime and couples club bridge sessions are all becoming pleasant "regulars" among members and spouses of the Newcomers Club.

The evening bridge group met at the home of Mrs. Charles Berlenbach where top honors were shared by Mrs. Harold M. Polhamus and by Mrs. James Nichol. The daytime group gathered at

the home of Mrs. Kenneth K. Wilde where top honors were taken by Mrs. Wilfred L. Clearman. For its second meeting, the couples club met at the home of Mr. and Mrs. Arnold R. Thompson where Mr. and Mrs. Wilfred L. Clearman captured top honors.

Each month Newcomers look forward to the second Wednesday for evening bridge, the third Thursday for daytime bridge, and

the third Saturday for the couples club. Hostesses for the events in August will be Mrs. James MacDonald, Mrs. John P. Jackson, and Mrs. Marvin Yost, respectively. Any newcomer to Orinda within the past year is welcome to join the Newcomers Club, and to attend any bridge gathering. Any newcomer interested may call Mrs. Lester W. Chaney.

Bankers Go To Meeting

Local bankers from the Mt. Diablo Chapter of the American Institute of Banking will leave tonight to participate in the 24th annual regional conference of District Eight of the AIB.

The conference will be held at the Villa Hotel in San Mateo, sponsored by the Peninsula chapter.

The delegation will be led by President Dave Crane and June Barwick of the Women's Committee, both from the American Trust Company in Concord.

Also attending this conference will be Robert Gagan from Bank of America in Concord; Andy Desmarais and Jerry Wells from Crocker-Anglo National Bank in Walnut Creek; June Workman from American Trust Company in Walnut Creek; Lou Bowman from Bank of America in Pittsburg; Anthony Negretti from Bank of California in Martinez; Janet Emerson from American Trust Company in Orinda; Gordon Scott, immediate past president of the chapter, from Wells Fargo in Antioch; Jay Shely and John E. Sanchez from Crocker-Anglo National Bank in Pittsburg.

The conference is to plan for a coordination educational and self-improvement program for local chapters and their members.

The Mt. Diablo Chapter has been requested to bring its scrapbook for the previous year which won third place at the national convention held in St. Louis in June of this year, for other chapters to review.

Free X-Rays Are Available

Free chest X-rays will be available to residents of the Walnut Creek area, 15 years and over, next Friday.

The X-ray unit will be located at 1400 Broadway in the Broadway Shopping Center, and will be open to the general public from 2 to 5 p.m. and from 6 to 7:30 p.m.

Free chest X-rays are provided by the County Health Department as a part of its Tuberculosis Control Program.

'Chalk Garden' Run Extended

The run of the Dramateurs' hit play, "The Chalk Garden," has been extended for another week-end, it was announced yesterday by Doris Stillson, the group's vice-president.

Performances will be given at 8:30 p.m. today and tomorrow and August 1 and 2.

Why Not Municipal Golf Course--Or Regional Park?

We certainly don't have the answer. This is one of these puzzling questions that comes up from time to time. An answer exists, and several solutions seem possible, but nobody pursues them to the end.

What is the problem? Why don't we build a municipal golf course or two in Central Contra Costa County? The need is certainly there.

Why don't we. Well, the first question is, where is the money coming from? It could come from a number of places. A special "regional park" district could be formed, that would have an extremely low taxing level. This money could be used to purchase land and build and maintain whatever recreational facilities where needed.

OR AN INDIVIDUAL municipality or area could construct a municipal golf course. This was done by the City of Antioch, which operates the only municipal golf course in Contra Costa County.

When this was established a nine-hole course was built, but since that time it has prospered and an 18-hole course is in the process of being constructed now.

Of course, the county could also take these projects under its wing. It could work with the Contra Costa Park and Recreation Council for the long-range planning of such facilities as we are speaking of.

This is important, too, because land is being swallowed up rapidly, and a golf course takes plenty of acres.

A VERY SMALL county-wide tax would provide a good deal of income for the purchase of land and construction of public facilities.

This need not only include golf. There is a great need for public picnic

facilities, as well as tennis courts and allied recreational areas. All of this could be done under the auspices of a regional park district.

On the other hand, Contra Costans are exceedingly fortunate in living adjacent to one of the most outstanding regional park systems in the United States, that is the East Bay Regional Park District which operates 8300 acres of recreational facilities—all of them public.

The astounding thing about this is that these facilities are open to the people of Contra Costa County, just as they are to counties West of us, and all at no charge, or at the minimal charge which everybody pays.

WHAT'S EVEN MORE unusual is that we are not included in the district, and therefore pay no taxes into the regional park district.

Something for nothing? It certainly looks that way.

However, just because we have adjacent parks and recreation facilities is no reason that we should slack on providing our own. Populations are going to continue to grow, and already crowded facilities are going to become even more crowded.

Certainly a lot of planning needs to be done, so that there is a minimum of overlapping authority and duplication of facilities in the eventual construction of recreational facilities. But it cannot stop with planning. We need facilities now.

The board of supervisors could certainly be helpful in this matter. Cities could work out programs — possibly joint programs, and recreation districts could be called upon also.

Do you have any solution?

The Staff Corner

Vivisection--Yes Or No?

By NORMAN COLBY

Webster's New Collegiate Dictionary, 1956, reads, "vivisection: The cutting of, or operation on, a living animal, esp. for physiological or pathological investigation."

Another authoritative dictionary defines the vivisectionist as "one who practices or defends vivisection."

The Alameda County Anti-Vivisection Society Inc., which has many members in this county, has publically stated that the definition is too limited, and "... this abominable practice which has spread beyond its truly scientific confines to include the unspeakable torture of living animals, sometimes for no other reason than to demonstrate their sufferings and reactions, and their behavior under pain. For this noble purpose, dogs are particularly desired. . ."

Its members also contend that vivisection practitioners purposely do not use sufficient anesthetic. Any possible benefit coming of such experiments are far outweighed by the suffering of the animals involved, they add.

They have made available a number of pamphlets, which cite apparently authenticated, apparently horrible cases where dogs have been tortured for unobvious reasons.

The contents of such pamphlets are unnerving.

Typical titles for experiments which allegedly occurred in 1947 and 1949 include, "An Experiment to Demonstrate Certain Known Characteristics of Shock by Mashing the Legs of Dogs With a Rawhide Hammer. An Experiment into the Effects of Striking a Dog's Exposed Brain With a Steel Weight. An Experiment for the Purpose of Producing Intestinal Peritonitis in Dogs."

Say the anti-vivisectionists: "With some experimenters, . . . the suffering itself and its effects are the chief aim and purpose of the experiments which sometimes extend continuously for days and weeks."

However veterinarians of high reputation and past records which indicate a love for animals, and dogs in particular, have another story.

A number of modern medical miracles, including the recent television heart operation on the boy, Tommy, is directly due to scientific knowledge gained by "experiments" on living animals, namely dogs, one well-known veterinarian told The Sun.

Under present laws enforced by state and local authorities, proper anesthetic is required, he said.

He continued, "The animal or dog

is usually put to sleep before hand. I should emphasize that the animal under the present regulations and procedures gets all the care a human being would. The same sedatives are given. And one basic rule has been developed—if the dog is operated upon and allowed to wake up, it must be given the same treatment as would be necessary for a human.

"This is the usual practice," he said.

Another veterinarian commented that at present very few veterinarians consider vivisection as properly within the scope of their profession, and full-fledged M.D.'s do most of the work.

He said that many of these same doctors are the ones who have voluntarily offered themselves for experiments with vaccines and other substances, to increase medical knowledge.

Invariably the dogs used in such experiments are those which would die soon for some other reason, he said.

He added that the alternative, if physiological investigation is to continue, is the use of human beings.

"We know that there have been cases of mistreatment in the past, but should this mean that we should outlaw programs which are so beneficial?" he asked. He said that many experiments have resulted in greater scientific knowledge about dogs, and better medical service for them through the veterinary service.

"As a veterinarian, I have seen more examples of cruelty to animals by their owners than I have ever heard of through the scientific experiments," he said.

It is clear that vivisection is an everyday occurrence. It appears that reasonable minds may differ on its merits.

Question: Is vivisection the blackest word in the English language, which, according to the Society, "... reminds us of the medieval torture chambers of the Dark Ages. . . ?"

Or, is it a necessary process, made more humanitarian through state and local regulation, which makes possible the advancement of science and relieving of suffering for the human race, and the animal kingdom, alike?

Some veterinarians say that the anti-vivisectionists are "do-gooders" and are "misguided." The other side has even stronger language for their antagonists.

Whichever is true, it would seem that the dog is, even in this scientific age, proving every day that he is truly, "Man's Best Friend."

"WOULDN'T IT BE GREAT IF EVERYBODY WERE LIKE THIS?"

Stir Pastures, Farmers, Tin Cans and Love-Golf

By JOYCE BARNUM

Whatever has happened to rugged individualism? Last week the Sun publisher stated in his "Under the Sun" column that we need a good, public golf course. With this I agree. I have to. Personally, I get no kicks from chasing a little white ball over hill and dale. Whenever I've tried to play at this game I have found my thoughts straying. And I should have concentrated on that little ball.

MY FATHER, my husband, my son and the majority of our friends have no trouble doing this. But when I get off a drive, almost inevitably a bird takes off from a nearby tree and I become distracted watching the bird instead of the ball.

But back to rugged individualism.

In his youth, my father became a hopeless addict of the golf game. Some years later, as a country banker in the plains region of Montana, he and an attorney friend of his determined to play golf. True, there were no golf courses in that area at all, but there was an abundance of pasture land, complete with natural hazards. HAZARD NUMBER one was the farmer who owned the pasture. When he was approached by the two golf enthusiasts, he was puzzled but he agreed that they could use his pasture for a golf course.

The two laid out their projected course on paper and then spent some late, light, summer afternoons planting empty tin cans at strategic spots in the pasture.

Word of their activity spread. Farmers from near and far hurried through their chores so they could observe the banker and the lawyer planting tin cans in the pasture on the north edge of town.

Soon farmers were downright neglecting their evening chores to enjoy the show! Those two crazy guys presented entertainment the like of which had never been seen before.

DURING BUSINESS hours, both men pursued their work with dignity and diligence. But after 4 p.m. they took off for the pasture-golf course. Here they lost their dignity, but not their diligence. They whacked away at golf balls until darkness fell during those long summer evenings.

At first, the local people pretended to be on their way someplace as they drove by the pasture very slowly in their model T's, which they peered at the entertainers. Soon they gave up this pretense of "just happened to be driving by;" parked and stared openly.

Because the golfers were oblivious to the gallery, so complete was their absorption in the game.

THIS COURSE was public. Although two determined individuals had wrested it from the wilds, anyone could play there.

Nowadays my father still plays golf wherever he is and whenever he can. He's retired now, so he plays quite often. He plays with his son-in-law and his grandson on those occasions when they can join him.

He plays more orthodox courses than the one born of desperation many years ago. But it's so obvious.

All that's needed for a public golf course is a pasture, a co-operative farmer, some empty tin cans, a love for the game — and rugged individualism.

Anti-Litterbug Campaign Paying Off in State

California's anti-litterbug campaign, sparked by "Parky, the tidy kangaroo," is beginning to pay off.

Residents and visitors are coming awake to the menace of litter strewn along our roadsides and beaches and in our parks and picnic grounds.

Piles of rubbish are breeding places for vermin. Sunlight magnified through a discarded bottle can cause a fire. Broken glass can slash auto tires and the feet of unwary sunbathers.

There is no reason to litter. There is every reason not to.

In areas where there is firm litter-law enforcement, the number of brush fires has been greatly

reduced and rodent infestations are declining.

People are using the litter cans the Highway Department has placed along our main roads. They are carrying litter bags in their autos, and they are cleaning up after themselves at the end of a picnic or a day on the beach.

The State Chamber of Commerce anti-litter program, supported by oil and transportation companies, the California Brewers Association, garden clubs and other public spirited organizations is showing results.

However, the problem will not be licked until everyone does his share to keep our State free from the blight of the litterbug.

'Chalk Garden' to Give Repeat Performances

The Dramateurs presented a professionally polished performance of "The Chalk Garden" last week end at Lafayette Town Hall, winning the interest, laughter, and applause of full houses, and the play will be presented again tonight and Saturday at 8:30.

Either the comedy lends itself admirably to the intimate atmosphere of the theater-in-the-round, or, as is more likely, the capable direction of Carl Rasmussen made it seem that way.

Miss Madrigal, as paid companion to a rather neurotic girl, was played for all the laughs and drama in the role by Jean Henderson, and Judith Henderson, as Laurel, the girl who liked to set fires, was a perfect foil for her epigrams.

Patricia Winkworth deserved all the plaudits that came her way as Mrs. St. Maugham, and made her eccentricities and attempts to dominate all in her household not only believable but

downright lovable.

So well was each role played that there weren't any stars. Maitland, the manservant who had a past almost as lurid as that of Miss Madrigal, brought professional competence to his role, and shouts of laughter from the audience.

Enid Bagnold's comedy, of course, has its serious side, and the allegory of Mrs. St. Maugham's "chalk garden," so filled with lime that it won't grow roses without special treatment, is best left to the interpretation of each individual who sees the play.

Philip Stearns as The Judge and Katie Genesey as Olivia deserve special mention for the skill they brought to their parts.

Mary Tokich, Charlotte Chaplin, and Wirtabel Harris were more than competent in supporting roles.

Everyone connected with the play and its production deserves congratulations for bringing such good theatre to this area.—B. H.

Letters to The Editor

FLUORIDATION

DEAR EDITOR:

The Journal of the American Dental Association, in March, 1958, published resolutions by German fluoride experts supporting "water naturally containing fluoride or with controlled fluoridation of drinking water" as capable of considerably diminishing caries rate.

Professor H. D. Cremer, Giesse, Prof. Dr. Munch, Berlin; Prof. Dr. Eichler, Heidelberg; Prof. Dr. Knappwost, Tubingen; Dr. Hornung, Kassel; Dr. Hoffmann-Axheim, Berlin, and Dr. H. J. Schmidt, Stuttgart, concluded their resolution with the statement, "All hindrances blocking the path must be eliminated in the interest of health and humanity."

The Journal concluded, "The viewpoint in the opinion quoted is identical with that in the resolution passed by the British Ministry of Health, the Swiss resolution of March 3, 1957, the Austrian procedure, the position adopted by Sweden, the Polish propositions and the position of the Federation Dentaire Internationale, in all of which the decisions of experts are involved."

RICHARD W. LELAND

WORRIES

DEAR EDITOR:

Taking a cue from "Under the Sun" in a recent issue, here are a few more things to worry about.

Now don't get this suburbanite wrong. I like to play golf, and we could use a golf course or two (municipal) in the county.

We could use immediately better ambulance service and we should let our kids have fun playing ball, win or lose.

Here's a few more items for us to worry about, not necessarily becoming neurotic about, or losing sleep over, but we should think about and ultimately get some action started; or at least, our views sent to Washington, D. C. from our area and a million other areas in the land.

THIS WORRY is one of war or peace, survival or extinction, life or death, and I don't mean to be over-dramatic about it. But let's consider a few current facts.

Our foreign policy and Russian foreign policy are bankrupt! The days of sending troops in, even though requested by the tottering government, are gone. We will witness a clash eventually or we will run out of troops, if trouble and revolutions occur often around the world.

South American countries have to be up under our trade policies, because we are trading and/or not trading for our own good and not the South American countries benefit, and our tariffs on certain goods make South American countries mad.

SO IF A government is overthrown there or in the oil-rich middle East, we can't send paratroopers or Marines because we go against our flowery words of self-determination and freedom to choose.

Freedom to choose means that another country can choose its own borders and policies, even if it displaces the U. S. Government, and vice-versa.

We are going to have to support a stronger U. N. so that future "Lebanons" can be avoided if possible, or if they occur, a world supported U. N. team or force can temporarily go into a country for a short stabilization period, or longer if necessary.

This plan means that all nations in the U. N. will have to give up some sovereignty! I can hear some of the Republican and Democratic representatives now screaming in the halls of congress about our inalienable rights, etc., etc., etc.

BUT WITH A bankrupt policy of "might makes for extinction," do our representatives have a right to abandon such a plan, and wait helplessly for the war to end all wars because of the devastation of nuclear weapons?

The President does not have this right and congress does not have this power.

Very few congressmen questioned the propriety of sending the Marines to Lebanon. What do we do now? Of course, we hope that the U. N. International force can replace our troops.

Countries in the Soviet bloc and in our NATO and particularly those countries outside these power blocs of the U. S. and Soviet influences are probably sick and tired of the two powerful nations heading for world suicide, amid the threats and counter threats.

I believe the vast majority of the world's people are worried, and they should individually and collectively demand of their leaders a cooling off period, and an end to this voice for extinction!

THOMAS KENDALL

CONTINUE!

DEAR EDITOR

Enclosed is \$3.75 for another year of The Sun. We regret leaving Walnut Creek but Mr. Mixsell has transferred from Parks A.F.B., where he is installation engineer for the First Missile Division.

This is a very large base as Lompoc is bursting at the seams and we feel fortunate to have rented a house 'til we can locate a place to buy.

(The Lompoc Record is also a weekly paper—out on Thursday, however.)

THE MIXSELL FAMILY

Under The Sun

Stop! Look! Listen!!

It's Absolutely Beautiful

By Herman Silverman

Stop, dear reader, and look around you.

I'm not being facetious. I just want to point out that we are fortunate in living in one of the most beautiful areas on earth. I'll admit that is a mighty big claim, but didn't we move here because of the beautiful hills, the delightful valleys, the rolling orchards?

I often take this wonderful country of ours for granted. Rarely do I stop and take a good look and rarely do I write about it. And that is a shame because (to repeat) it is so beautiful.

Some beauty plus fun, too

Not only is it beautiful, but Contra Costa County is fun. Too many of us (including this writer) are unaware of what our county offers. We dash off to Carmel or San Francisco or Marin or elsewhere for our outdoor and other recreation.

You may be wondering what prompted this outburst? Well, by accident I picked up a little booklet the other day. Title: "Plenty of Fun for Everyone, a guide to the outdoor recreational facilities of Contra Costa County."

It has not been compiled and published by the Contra Costa County Development Association. As you may know, this Association is a super-chamber of commerce for the county and is primarily supported by county tax money, allocated by the Board of Supervisors.

The first page states the pamphlet is published "In cooperation with the Chambers of Commerce of the county."

The 36 pages offer two maps and listings of the major outdoor recreation facilities, in these categories—Parks, City Parks, Golf Courses, Riding Academies and Fishing Resorts. It lists both public and private facilities and briefly itemizes what each offers. For example:

REDWOOD REGIONAL PARK (2074 acres, through Moraga to Pinhurst), model steam railroad, riding stables, picnic area, hiking and bridle trails.

WALNUT CREEK CITY PARK. Gym-auditorium building, lighted softball diamond, handball and volleyball courts, children's spray pool and play area, basketball courts, tennis court, barbecue pits, tables for 100, merry-go-round.

Eckley Fishing Resort and picnic grounds (Crockett, Port Costa Road, Crockett 221, Dan Hallissy, proprietor), beer and soft drinks, boat rentals, moorage, restaurant, pier for fishing, swimming pool, picnic grounds, marine products and party boats.

Here's how to get yours

How do you get a copy of the pamphlet?

I phoned Iona Booth, association manager, and she said free copies should be available at your chamber of commerce office. Or drop a post card to the Association and they will be happy to mail you one, (self-addressed, stamped envelope is not necessary). Write: Contra Costa County Development Association, 835 Escobar Street, Martinez, Calif.

Let me point out that the booklet is free; it is not an elaborate, detailed survey. But if you are interested in boating, fishing, family picnics, etc., it is worthwhile.

Incidentally, The Sun has re-ordered many times on the 75c booklet we talked about some months ago. It is "Let's Go—A Family Guide to Fun in the Bay Area." It is a wonderful book, published by the Richmond A.A.U.W., full of details and worth many times the price. We have some copies at the office.

Two weeks ago I became a family counselor and presented a discourse in favor of the "Old Fashioned, Cake-and-Ice Cream Party at Home" vs. the new, streamlined "Birthday Party Outing," where you take the kids to a movie, skating rink, etc.

Comments have been varied. I have heard mostly from those who do not agree with me. Last week the Orinda Sun's able columnist Marie Monahan took issue. Her remarks speak for themselves and I think you'll enjoy them:

Herman . . . Your sermon is showing

Have to skip the column this week. We're Beat, Bushed & Bedraggled. But blame it on the publisher. That's what he gets for giving us ideas in his "Under The Sun."

We'd heartily agreed w/Mr. S. in re: to the old-fashioned B'day party—at home. We've long been advocates of the homemade decorated cake, the gold old games, the crepe paper streamers. But we discounted the Wind. And the Screamers.

We rather liked His idea of letting the kids whoop & holler. Hip, Hip Hooray & Haaapppy B'day Away! And during such a frenetic affair for 14 at our house mid-week, we installed this party gimmick much to the gleeful delight of the would-be TARZANS! They greeted each boy guest w/a rousing cheer. Which you MIGHT have heard in the Broadway Tunnel!

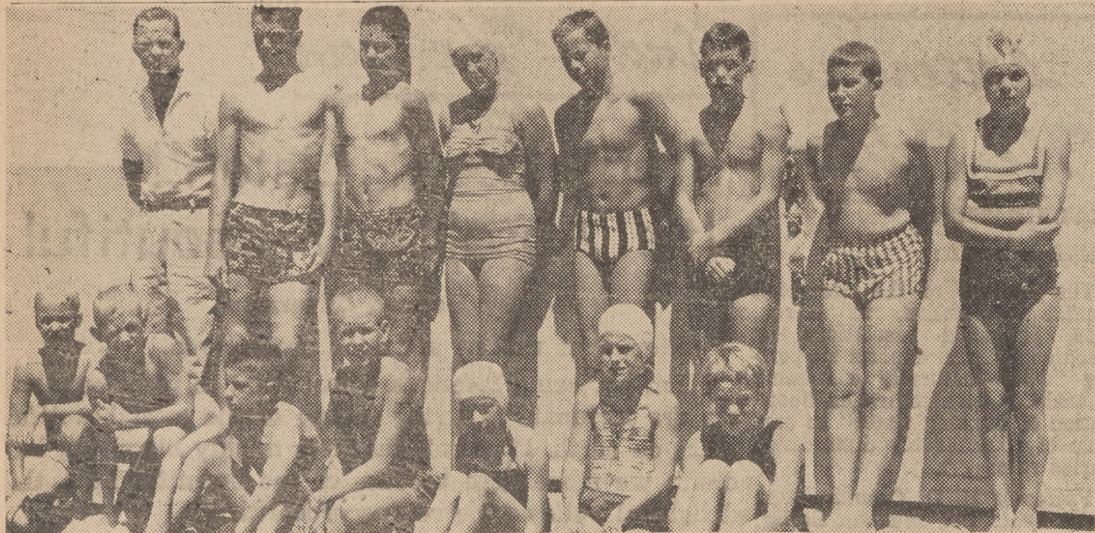

AFTER SIX OR SEVEN "Split-Sixes," we were sure the worst was over. Clever man, that Mr. S. . . Let 'em yell their lungs out. Get it out of their System!

Hah! What HE doesn't know about . . . Oh, Well! It worked the other way here. Vice-versa . . . or Twice-Worse! The pace of the party was set. Once they got the feel of the freedom of noise, the capacity for hog-calling, the call of the wild, there was no stopping them!

IT WAS LIKE A NIGHTMARE. An unending one! The longest two hrs. ever endured. As for the other gruesome details. NEXT time, WE try the bakery! Our homemade Martha Washington recipe that NEVER misses, DID. Flopped, Fell. Oozing 7-min. frosting (that's s'posed to stand in stiff shiny peaks) all over & down the sides of the milkglass cake plate & onto the table. Fun for fellas who like to lick. Then wipe their fingers on the closest thing. Me! a frolic for the ants who trailblazed through the house the next day.

IT WAS AN ILL WIND that blew no good. And the outdoor party was mostly inland. In & Out, Up & Down. Peanut shells crunched underfoot in every room, peppermints pasted into the carpet, onto the pillows, broken toys, busted balloon pieces, bubble stuff in sudsy puddles, crepe paper streamers torn into spit balls. Oh, I can tell you, it was a MESS!

No reflection on the guests, however . . . Not those lovely rosy-cheeked tanned darling boys! No, Sir, Mr. Silverman. We blame it all on you. And NEXT time (what am I saying!) WE've got another gimmick. We'll whisper! Do you hear . . . ? WHISPER! ! ! !

MEMBERS OF Lafayette Youth Association swim team are (standing, from left) Coach Bob Sherman, Bob Bowles, Rick Bowles, Judy Bataque, Jerry Sege, Philip Sirin, Rick Sullivan and Donna Isala; kneeling, Steven Bowles, Tom MacPherson, Lauren Martino, Sharon Martino, Elaine High and Pat MacPherson.

Special Deer Hunt Action on Tap By Commission

Final action on special deer hunts for 1958 will be taken by the California Fish and Game Commission when it meets in San Francisco Monday. The meeting is set for 2 p.m. in the Division of Highways Building, 150 Oak Street.

At that time the Commission will act on the reports of its hearing officers who have been conducting public hearings throughout the state in areas in which the proposed hunts would be held. The Commission can accept the hunts as proposed, modify them, or reject them.

ALSO AT its Monday meeting the Commission will consider the adoption of standard hunting regulations for special deer hunts.

Other matters to be considered are: Consideration of the adoption of regulations which would spell out a description of the Colorado River Bait and Fish Area and specify the species which live freshwater bait fish licensees may possess in that area.

Final public hearing on an emergency measure which took effect July 1 and which permitted sale of the hides of beavers provided they are first inspected by a representative of the Department of Fish and Game and tagged before leaving the area in which they were taken.

FINAL PUBLIC hearing on suspension of permits for migratory waterfowl feeding. The action took effect June 13.

A new law, enacted by the 1957 Legislature, requires a public hearing must be held on emergency regulations within 120 days after they have been enacted.

The deer proposal would amend Commission regulations regarding applications and drawings for special hunts. The proposed changes follow:

1. Applicants would not participate in more than one special hunt nor submit more than one application for special hunts during one current year.
2. Applicants, under the proposal, could indicate two hunt choices on their application.
3. PERMITS FOR antlerless and either-sex deer hunts would be distributed by a public drawing, which would be held this year on August 29 at 9 a.m. in Sacramento.
4. Applicants for the public drawing would mail application form, which is attached to the 1958 deer tags, to the Department of Fish and Game, 722 Capitol Avenue, Sacramento. Applications, on which a first and second choice may be indicated, would have to be received before the close of the business day, August 25, 1958.
5. Not more than four applications would be permitted to be filed jointly when mailed in one envelope for drawing purposes.
6. Any authorized first-come, first-served sales would be conducted August 16, 1958, at the county seat of a county in the hunt area.
7. DEER TAG holders obtain-

ing a permit on a first-come, first-served basis would have to relinquish the application attached to their 1958 deer tags.

8. For hunts divided into zones or periods, permits would be drawn first for Zone 1 or Period 1, next for Zone 2 or Period 2, etc.

9. Permits would be valid only in the zone or period specified. Successful applicants would be notified promptly by mail.

10. Applicants for the public drawing would mail application form, which is attached to the 1958 deer tags, to the Department of Fish and Game, 722 Capitol Avenue, Sacramento. Applications, on which a first and second choice may be indicated, would have to be received before the close of the business day, August 25, 1958.

11. Not more than four applications would be permitted to be filed jointly when mailed in one envelope for drawing purposes.

12. Any authorized first-come, first-served sales would be conducted August 16, 1958, at the county seat of a county in the hunt area.

13. DEER TAG holders obtain-

ing a permit on a first-come, first-served basis would have to relinquish the application attached to their 1958 deer tags.

14. For hunts divided into zones or periods, permits would be drawn first for Zone 1 or Period 1, next for Zone 2 or Period 2, etc.

15. Permits would be valid only in the zone or period specified. Successful applicants would be notified promptly by mail.

16. Applicants for the public drawing would mail application form, which is attached to the 1958 deer tags, to the Department of Fish and Game, 722 Capitol Avenue, Sacramento. Applications, on which a first and second choice may be indicated, would have to be received before the close of the business day, August 25, 1958.

17. Not more than four applications would be permitted to be filed jointly when mailed in one envelope for drawing purposes.

18. Any authorized first-come, first-served sales would be conducted August 16, 1958, at the county seat of a county in the hunt area.

Civil Defense First Aid Station Unit Established

The first of its kind in the State of California—a mobile Civil Defense First Aid Station Unit—has been established in Contra Costa County.

Six hundred and eighty First Aid Stations were purchased by the California Disaster Office under the State's program of stock-piling medical supplies. Each Station is composed of litters, dressing, bandages, blankets, medical supplies, plasma, sufficient to care for 600-1000 casualties in a 24-hour period.

Thirty-three of these Stations are stored at strategic points throughout Contra Costa County. To provide for the ready mobility of one of these First Aid Stations, a proposal was made to the California Disaster Office for the permanent storage "on wheels" of one of these units. The California Disaster Office readily concurred.

An eleven-ton two-wheel van-type trailer was procured by donation from Federal Surplus Property. The service and handling charges were defrayed by Pittsburg Community Hospital District.

Through the joint efforts of the City of Pittsburg and the Contra Costa County Office of Civil Defense and Disaster the trailer was painted white with a blue border trim by the City of Pittsburg, and four large CD insignia have been painted on the sides, top, and rear doors. A light metal ladder for ease of loading the trailer was procured. The trailer is maintained by the Contra Costa County Department of Public Works.

Mobility will be provided by CD registered prime movers (tractors) and drivers from the Delta, J. A. Nevis and Favalora Trucking Lines. Towing to the scene of a major disaster will be done on

ing a permit on a first-come, first-served basis would have to relinquish the application attached to their 1958 deer tags.

8. For hunts divided into zones or periods, permits would be drawn first for Zone 1 or Period 1, next for Zone 2 or Period 2, etc.

9. Permits would be valid only in the zone or period specified. Successful applicants would be notified promptly by mail.

10. Applicants for the public drawing would mail application form, which is attached to the 1958 deer tags, to the Department of Fish and Game, 722 Capitol Avenue, Sacramento. Applications, on which a first and second choice may be indicated, would have to be received before the close of the business day, August 25, 1958.

11. Not more than four applications would be permitted to be filed jointly when mailed in one envelope for drawing purposes.

12. Any authorized first-come, first-served sales would be conducted August 16, 1958, at the county seat of a county in the hunt area.

13. DEER TAG holders obtain-

20. For hunts divided into zones or periods, permits would be drawn first for Zone 1 or Period 1, next for Zone 2 or Period 2, etc.

21. Permits would be valid only in the zone or period specified. Successful applicants would be notified promptly by mail.

call by a tractor from one of these companies. A professional First Aid Team of doctors, nurses, orderlies and clerical personnel will be furnished through the cooperation of hospitals near such a disaster.

Heart Unit Meeting Held

The July meeting of the Board of Directors of the Contra Costa County Heart Association was July 14, at the Association headquarters, 2030 North Main, Walnut Creek.

Mrs. W. B. Marschner, Walnut Creek, treasurer, reported the gross income for the 1957-58 fiscal year at \$45,554.80, an increase of \$2,878.00 over the previous year. The organization's income is derived from the annual February Heart Fund and from year-round memorial gifts.

The Board voted an amount of \$5,500 for locally sponsored research projects. A sum of \$2,000 was awarded to Dr. Ray H. Rosenman of the Harold Brunn Institute of Mt. Zion Hospital, San Francisco; \$2,000 to Dr. I. L. Chaikoff, University of California; and \$1,500 to Dr. John W. Gofman, Donner Laboratory, University of California. This is the second grant to Dr. Chaikoff and the third to Dr. Gofman.

Local research awards are in addition to grants which receive support from the Contra Costa County Heart Association through the California Heart Association and American Heart Association. Twenty-five per cent of the funds collected this past year in Contra Costa County have been designated for research.

Dr. Charles Hart, Walnut Creek, was appointed chairman of the Professional Education Committee.

The date for the organization's annual meeting was set for Monday evening, September 29.

Guests present at the meeting were Dr. Ray Wiser, chairman of the Board of California Heart Association, and Mrs. Wiser, program consultant of California Heart Association.

Contra Costa Horse Show Set for Sunday in Concord

Plans are complete for the 11th annual senior horse show, sponsored by the Contra Costa Horseman's Association, to be Sunday in the arena at the Don Fernando Pacheco Adobe, 3119 Grant Street, Concord.

Harry Tomlin, club president, announces that junior events will start at 9 a.m. and will include model stock horse, pole bending, trail horse and stock horse. Age limit of contestants is set at 18 years.

Senior events will start at 1 p.m. and will include the following: Best dressed cowboy, best dressed cowgirl, trail horse, stock horse, ring sparring, equitation matched pairs, peg roping, pole bending, key hold race, cowboy

race, western pleasure and two-man relay. A trophy and ribbon will be awarded to first place winners and ribbons to fifth place. Judy and Toni Frazer will present awards, which are donated by local merchants. Entries should be mailed to Midred Lauffer, 1917 Industrial Highway, Concord. Joe Hallett is general chairman for the show, assisted by co-chairman and announcer Frazer West. The show is admission free and open to the public. Hot dogs, coffee and soft drinks will be served at the grounds.

A steak barbecue starting at 6:30 p.m. will climax the days festivities at the adobe. All club members and their guests are invited to participate.

Hardtop Highlights

Franklin, Geving Tied at Pacheco With Four Wins

By JEAN McGuIRE

Johnny Franklin and LeRoy Geving, both of Santa Rosa, are all tied up as far as main events are concerned.

Franklin took win number four in the big 50-lap event last Saturday night, and also compiled a double amount of points which should put him in top point standing position.

In the first heat our resident pilots took a bad beating. Chet Strock, Kenny Thompson, Tim Kelly, and Bud Wilhite qualified for this race, and all but Tim Kelly were involved in a smash-up on the pit turn.

Bud Wilhite was able to recover however, and go on to take second place. The fourth heat proved most exciting with Julian Castro emerging victorious and Gene Dudley being forced out by engine trouble.

Things were very quiet in the Dudley-Castro feud last week, but the fans are still watching for trouble. The fourth heat proved most exciting with Julian Castro emerging victorious and Gene Dudley being forced out by engine trouble.

Jack Clayton, number 88 of Pleasant Hill, came in sixth place in this event. Clayton, who has been conspicuously absent the last three weeks is still having trouble with his engine heating up. Number 88 qualified fifth fastest in the time trials, and we're looking for Clayton to be the local boy who makes the top ten in point standings.

This week's program carries a 25 lap main event, with time trials starting at 7 p.m., and the first race at 8.

Conti Campaign Expense \$2900

Campaign expenses for Samuel Conti, candidate for assemblyman from the 10th district, were reported to the county clerk as \$2900. The Sun erred last week in reporting a larger figure for Conti's expenses.

When you shop at home you boost your own community. And the place you live is pretty important to your family. Besides, it costs less. Try it!

Orinda Swim Team Is in Meet Finals

Thirteen members of the Orinda swim team placed in finals of the Aquaradeo held last week end at the Livermore High School pool.

They were: Boys eight and under, freestyle, Johnny Kirby, fourth; boys 10 and under, butterfly, Kim Olsen, fifth; boys 12 and under, backstroke, Kim Olsen, fourth; Cory Lowther, second.

Boys 12 and under, freestyle relay, Mike Kersten, Bill Cooper, Tim Pardini and Cory Lowther, fourth; boys 14 and under, backstroke, Tom Kirby, fourth; girls 12 and under, freestyle, Vinnie Gilbert, fourth.

Girls 14 and under, butterfly, Joyce Bailey, second; girls 14 and under, breaststroke, Ginger Kesever, third, and girls 16 and under, breaststroke, Michele Angelo, fifth.

Liberalized Law On Waterfowl To Be Studied

Liberalization of some California Waterfowl Management Area regulations will come up for consideration Monday when the Fish and Game Commission meets at 150 Oak Street, San Francisco, at 2 p.m.

If adopted at this meeting, the proposals would go into effect this year. Proposals of most interest to waterfowl hunters are listed below:

1. Advance registration application deadline would be 10 days instead of 14.

2. Applicant would have a choice of two alternate dates instead of three.

3. Any person filing more than one application per area per half of the season would be barred from all areas for the balance of the season.

4. Each successful applicant would be permitted to bring a partner of his choice over 16, provided the partner did not have an advance registration on the area concerned during that half of the season.

5. Successful applicants would be notified of their advance registration seven days in advance, rather than 10 days as formerly.

6. Each successful applicant over 21 or each partner over 21 would be permitted to bring along a minor under 16.

7. Shooting would cease at noon on all areas on Thanksgiving Day.

8. The Department would have full authority to control parking, camping and campfires.

Most of the other proposals, technical in nature, are designed to authorize the Department to allow sportsmen to utilize the areas for other purposes whenever and wherever conditions permit.

Fish, Game Fines Arrests Reach All-Time High

Arrests and fines for violations of the Fish and Game Code were up for the third straight year, the Department of Fish and Game reported today.

In the fiscal year completed (July 1, 1957 to June 30, 1958), game wardens cited 11,539 persons for P&G violations. A total of \$378,269.20 was paid in fines during the period.

The previous fiscal year the arrests totaled 11,192 and the fines \$318,461.50, compared to 9,427 arrests and \$299,792.22 in fines during the 1955-56 year.

More than 700 angling citations topped the list of 893 Fish and Game violations statewide during June, 1958. Fines totaled \$23,301. Angling without a license again led the violations parade with 397 convictions recorded during June. Convicted with more than one rod or line was next in order with 122 convictions.

Total fines and arrests were lower in June, 1958, than in the previous two June. In 1956 there were 1,007 arrests and \$24,010.50 in fines and in 1957 there were 1,030 arrests and \$24,110 in fines.

County Seeking New Civil Defense Chief

Contra Costa County announced today that the Civil Service Commission is currently accepting applications for the position of Director of Civil Defense, \$653 to \$785 per month.

Applicants must have graduated from an accredited college in political science or public or business administration and have five years governmental administrative experience, at least one year of which must have been in an accredited civil defense organization.

Experience may be substituted for college on a year for year basis. The person that fills this position will head the County's civil defense organization and direct activities of seven staff members.

Liberal employee benefits include three weeks paid vacation, sick leave, retirement plan and health plan. Application should be made to Contra Costa County, Civil Service Department, Box 710, Martinez. Telephone Martinez 3000, Extension 415.

Separate Boards For Colleges Gets Doyle Approval

Assemblyman Donald D. Doyle, Chairman of the Assembly Interim Committee on Education today said that he is in full agreement with the recent statements of Dr. Roy E. Simpson, Superintendent of Public Instruction, that the administration of the state colleges of California should be strengthened.

However, Doyle said that he does not agree that the State Board of Education can or should do the job.

Doyle said that a separate state college board should be established to handle the affairs of the state colleges much in the same fashion as the Board of Regents controls the University of California.

DOYLE SAID, "I have worked for six years while I have been in the State Assembly, for a more autonomous system for the state colleges of our state. I am happy to see that Dr. Simpson has come to realize that the state colleges need a better and more efficient system for their control."

"I feel that the State Board of Education, which does an outstanding job for the public schools of this state, has enough to do with supervising education from kindergarten through the junior college level. If it were given the responsibility for the state colleges the Board would be spreading itself too thin, and the state colleges would not get the attention that they need and deserve."

"I am also glad to see that Dr. Simpson agrees that the position of Superintendent of Public Instruction should be appointive rather than elected. However, I feel that Constitutional Amendment Number 13 which the voters of California will act on in November, is the much better plan for changing the Superintendent's position from elective to appointive."

"Dr. Simpson had an opportunity during the special session of the legislature in March to voice his objections to the provisions and since it is now on the ballot, I feel that it should be adopted by the people of the state."

"**THE STATE** college system has become so large and complex, with more students than the University of California, that it certainly deserves and needs a separate board to govern its activities."

"The subcommittee of the Assembly Interim Committee on Education will hold hearings on this subject in Fresno on August 13 and 14, and I am sure that it will give every consideration to this new plan of Dr. Roy E. Simpson."

"Every study group on higher education for the past ten years has recommended a separate board for the state colleges, and the Department of Education has never voiced objection to these plans."

"AB 882 of the 1957 session, which the subcommittee will be studying, provides that the Superintendent of Public Instruction will be an ex-officio member of the State College Board, and in this way the activities of the state colleges and the Department of Education will be coordinated," Doyle concluded.

When you shop at home you boost your own community. And the place you live is pretty important to your family. Besides, it costs less. Try it!

Art Group to Have Showing Of Paintings

Slides of Louis Gutierrez' paintings and some of his current work will be featured at the next Diablo Art Association meeting. Gutierrez is the Association's protégé and Mrs. Linda Lawson, program chairman, is pleased to arrange this up-to-date viewing scheduled for Monday 8 p.m., at the Walnut Creek Recreation Center on Civic Drive.

An important business meeting is also on the agenda. President Robert Hoskinson will lead discussion on the future plans of the association, including participation in the Pageant of Arts, and all members are asked to attend.

Coffee will be served at the conclusion of the program.

Arson Case Trial Delay Is Granted

MARTINEZ—Selection of a trial date for Earl R. McCarthy, 53, who has pleaded innocent to a charge of setting fire to the M. H. Stanley Elementary School, Lafayette, has been postponed until July 28.

Postponement was granted by Superior Judge Norman A. Gregg after the defense gave notice that a writ would be sought in the District Court of Appeal.

Judge Gregg refused to permit McCarthy's attorney to inspect a statement the district attorney's office said was obtained from McCarthy, who is free on bail.

Moraga Man Leads YMCA Group on Tour of Europe

An Oakland YMCA group of 33, including three from this area, is touring Europe by bus, bicycle, and boat.

Leader of the tour is John B. Thune of Moraga, executive director of the Y's central branch. Others from Contra Costa County are his son, John S. Thune; Bill D. Harris of Lafayette and King Parker III of Walnut Creek.

Now in Venice, Italy, they have already visited cities and villages in England, Holland, Germany and Austria, often traveling by bicycle and staying at youth hostels.

Much of the trip is being made by means of a rented bus, which carries baggage to destinations when the group decides to make side trips by bicycle.

In Italy the travelers, who have already seen much more of Europe than the average tourist, will visit Italy, Florence, Rome, Naples, Pisa and Milan before leaving for Switzerland.

Their itinerary calls for them to be in Paris in mid-August, and to leave England for home by plane at the end of the month.

In German hostels, Thune reported, members of the group received room and three meals a day for less than \$1. They have met many young people of different nationalities with whom they have exchanged views.

County Awards 'Basin' Contract
The contract for the construction of catch basins in various parts of the County was awarded by the Board of Supervisors to Gallagher and Burk, Inc. of Oakland, who submitted a bid of \$8,510.00. It was the only bid received.

The Engineer's estimate for this work was \$9,000.00. This contract is for the construction of catch basins as they are needed on roadside drainage projects. The installation of the culverts will be performed by maintenance forces and the catch basins installed by the contractor receiving the award.

Application Filed For Radio Station In Central County

An application has been filed with the Federal Communications Commission, Washington, D.C. for permission to construct a Standard Broadcast Station at Concord.

Don C. Reeves, vice president and general manager of Service Broadcasting Company said that the radio station, if approved, will serve the central county area, including Walnut Creek, Lafayette, Pleasant Hill and Orinda.

He said that it will be a daytime station on the regional frequency of 1480 kilocycles. Engineering work on the project has been under way since February of this year.

Reeves said the station will have programs of special local interest, music and local news.

Reeves will be the resident manager and is the owner of Radio Station KAHN in Auburn, California and part-owner of Radio KACY, Port Hueneme, and has had 18 years experience in the broadcasting business.

The other principals in Service Broadcasting Company are Frank M. Helm, Modesto business man, and Judson Sturtevant, presently sales manager of Radio KFIV, Modesto, and part-owner of Radio KACY, Port Hueneme.

On The Lighter Side

by INA BLIESNER • YE 4-3818

Being entertained here and there by fond friends are Ann and Bob Clark who formerly were Happy Valley residents.

Bob, now a professor at the University of Kansas, is here with his wife and three of their four children for the summer months. He is attending classes at Cal during this time.

Some of the people who have entertained for the Clarks are Molly Jane and George Monheit of Lafayette who gave a large party July 4. Others are Marge and Dick Jepson of Orinda and Verne and Joe Riorden of Danville.

Raves for Valley Art Center show

Have heard raves about the Valley Art Center's Art and Garden Show. The Fletcher Taylor home where it was given must really be something to see—especially outstanding, I hear, are the antiques so artfully arranged.

The walks surrounding the house are banked with masses of white oleanders. Most of the garden's hues are in pinks and whites. The high spot of the show was an exhibit of post-impressionist paintings loaned by the M. Donald Whytes of Twain Harte, but there were many other forms of art shown—such as a lovely collection of ceramics.

Alice Cashion looked so lovely as she modeled a stunning black woven dress which was "shot" with silver threads. A tremendously large black hat completed the outfit. Well known Elvira Cardin was commenting on Bernice Ellis' robin's egg blue hand woven frock—hand woven by Bernice, that is.

Dashing Cita Nielson was here, there and everywhere as she helped with hostess duties. Former Volunteer Bureau president, Irene Malley, also was a busy one! The night before the show the George Monheits entertained with a dinner party plus swimming.

The beforementioned M. Donald Whytes, who were their houseguests, were there as were Dorothy and Parker Stack, Helene and Charles Rodier, Loretta and Tommy Phelps and Ann and Dick Ward.

The kid from Durango . . .

Fran and John Anderson and their adorable daughter, Sally, have returned from an extended visit to Durango, Colorado. Friends of theirs had purchased a ranch complete with large, old-fashioned home and, as Fran is an expert at interior decorating—well, you can guess the rest.

They all pitched in and helped and the end results were most satisfying. All was not work, however. They managed to get in lots of fishing and also took an old, OLD fashioned train through the Royal Gorge. They especially enjoyed this—the 12 railroad cars were even so tiny and were outfitted with pot-bellied stoves, spittoons and such. This was an all day trip with lunch being served at the famous old Silverton Hotel.

At two of the very glamorous Wednesday luncheons at the Claremont two of "our area" gals were guest models. They were Cita (Mrs. Mel) Nielsen and Mrs. Perry Holmes of Lafayette who is a member of the Laurel Jr. Branch of Children's Hospital.

So successful was "Make Mine Country Style," sponsored by Mayten Branch of Children's Hospital, that it will definitely be repeated next year. The guests (and busy members and their hard working husbands) really "whooped" it up in fine western style. At the entrance was a booth which featured special goodies made by all of the members.

The backdrop for this festive booth was a large old-fashioned quilt. The main dancing room was decked with orange blossoms, oranges and orange streamers with rural pictures lining the walls. The western orchestra was in appropriate garb, of course. Near the bandstand was a quaint old photographer's booth. And then there was the downstairs area where all sorts of games were set up.

All those pretty legs in the air!

One of them was a "leg-toss" arrangement. Three manequin's legs extended from fluffy, gay skirts. They were labeled "Gina-Sophia-Brigitte" and the toss was in the shape of a fancy garter. In the same room hot dogs, donuts and coffee were served.

now \$14.90

Yes, every discontinued Florsheim style now reduced to this one low price! Still a good selection—but not all sizes in every style. Two pairs now are a good investment!

Grodin's Shoes
reduced

regularly \$10.95 to \$14.95
now \$8.90

Mr. and Mrs. M. B. Troyer of Lafayette had as their guests Miss Bessie Tomlinson of Berkeley and Charles Holden of San Francisco. A pre-dance party was given by Mr. and Mrs. R. E. With in their home on Meadowview Road in Orinda with most all of the neighbors in their block in attendance. Yvonne and Jack ("man of the year") Block were there and darned if Jack didn't win the prize—a lovely "Scotch Cooler." Mrs. Myron Osmundson was one of the VERY busy hostesses for she was in charge of the food. The swirling, colorful dirndl skirts completed the very gay picture.

Phyllis and Charles Bowers and their children have returned from a week's stay at Yosemite Lodge which they loved. Their nine year old son, Carl, and his buddy, Tyler Buffington, will be attending the YMCA Camp Gualala near Healdsburg all of next week.

You can get more than wet from swimming

Such SWIMMERS thos Fred C. Blumbert children! Gretchen, Bev, Randy and Ricky are really building up a collection of red, white and blue ribbons. They all swim for the Pleasant Hill Aquatics and belong to the AAUW at the Pleasant Hill pool.

The Richard Doles and their children, Debbie, Stephen and Richard, have just returned from quite a stay at Disneyland which they truly enjoyed.

"Flamingo" members and their husbands banded together the other night (a beautiful one, too) for a steak barbecue-dance-swim. The party was held at the Edward Lazzereschi home and was a real success. Wednesday a group of Flamingos "vanned" over to San Francisco to attend the "Money Tree" show at KPIX. Most of them managed to have luncheon together.

The girls who attend the Girl Scout Day Camp in the hills at the very, very end of Springhill Road have the most glorious times. The older ones get to spend two "overnights" so last week these girls were a happy lot: Susan Burrin, Suzanne Treat, Jean Meyers, Linda Black, Barrie Lee Bliesner and Patsy Roycroft.

When picked up, their wonderful leader Lorraine (Mrs. Roger) Black looked slightly the worse for wear but claimed that she had loved it. The camp is a beautifully organized affair and the various camp sights are really lovely. Such food they had, too!

A note from the Woodchucks . . .

One unit of the camp is called "The Woodchucks." This is really a nursery for the children of the helping mothers. One of the nursery aides won the heart of ALL participants. Her nickname is "Ant" but she is Anne Craner of Troop 63 and she is a "doll." One day she composed a poem called "A Day in the Life of a Woodchuck Keeper" and thought you might get a kick out of, for instance, the 1:00 p.m. part.

Now for a rest and then we'll play,
We've got to keep them busy most of the day.
Do we have any ideas for a poem or rhyme?
Let's hear them all, we've plenty of time.
Look at the bug we found in the sand,
He squeaks! So let's use him in our band.
Now to the benches for some more finger plays
And to think we must come here for three more days!

County Seeking CD Director Applications

Contra Costa County announced today that the Civil Service Commission is currently accepting applications for the position of Director of Civil Defense, \$653 to \$785 per month.

Applicants must have graduated from an accredited college in Political Science or Public or Business Administration and have five years governmental administrative experience, at least one year of which must have been in an accredited civil defense organization.

Experience may be substituted for college on a year for year basis.

The person that fills this position will head the County's civil defense organization and direct activities of seven staff members.

Liberal employee benefits include three week paid vacation, sick leave, retirement plan and health plan. Application should be made to Contra Costa County, Civil Service Department, Box 710, Martinez.

The Civil Service Commission is also accepting applications for the position of Institution Leadman, \$314 to \$377 per month.

Applicants must have completed the eighth grade and have one

year of experience involving supervisory responsibility or two years of domestic or manual experience in a hospital or other large institution and also must have been residents of the County for one year preceding the final filing date.

There is currently a vacancy at the County Hospital in Martinez. Application must be made by August 8.

Free Swimming Offered Youngsters at Acalanes

In a search for new swimming talent, Bob Sherman, coach of the Lafayette Youth Association swimming team, has invited all youngsters 16 and younger to take part in a free swimming jamboree tomorrow between noon and 1 p.m. at Acalanes pool.

There will be no charge, he stressed, to any of those who want to compete by swimming one 25-yard length of the pool. In an open meet Saturday at Las Lomas pool, three Lafayette team members won first places. They were Tommy McPherson, 25-year breast stroke and 25-yard crawl; Patty McPherson, 25-year breast stroke, and Phil Simon, 100-yard free style.

Thursday the Lafayette squad held a dual meet with Pleasant Hill at the team's pool, and next

Thursday Lafayette will go to Las Lomas for a dual meet. Scheduled August 3 at Orinda Park pool is a three-day meet with Orinda and Sleepy Hollow.

McFarland Aces On Orinda 13th

Robert McFarland of Lafayette, a golfer for 33 years, fired his first hole in one July 17 at the Orinda Golf and Country Club.

He aced the 13th hole on a 150 yard shot with a seven iron.

His shot was witnessed by Mrs. Thomas L. Lueders and John MacLellan.

NEARLY EVERYONE READS THE SUN

IF YOU CONTEMPLATE INVESTING OVER \$20,000 FOR YOUR NEW HOME...

An Osmundsen Original can be created to fit your requirements

IF YOU ARE READY to "Step-Up" to your dream home, don't compromise with your wants!

Contrary to popular belief, a home designed especially for you, need not cost more than a ready built home of comparable size and location... Many times it actually costs less...

Before you decide on just another house, take time to find out how much fun and how inexpensive it can be to have just what you've really always wanted. You'll be glad you did!

Go To Church Sunday

Baptist

"Stop, Look and Listen" will be the sermon topic at the First Baptist Church of Orinda-Lafayette at the 11 a.m. worship service meeting in the Veterans Memorial Building in Lafayette.

Sunday school will begin promptly at 9:45 a.m. with classes for all ages and a special tract will be performed by Rev. Bruce H. Parker.

6:45 p.m. will be Baptist Youth Fellowship time with special program and music by the teen-age "Treasure Makers". This program is under the direction of Roger Moore. At 7:30 p.m. is the evening service. The "Treasure Makers" will provide music for this informal time also. The pastor will bring a message entitled "Have you broken out of jail recently?"

Wednesday evening at 7:30 prayer meeting and Bible study will be held.

Daily Vacation Bible School will begin Monday morning at 9, conclude at noon and run through Saturday. Graduation will be held next Sunday at the evening service.

All services will convene in the Veterans Memorial Building unless otherwise specified.

Methodist

Sunday: Church School for pre-school children, and a "Young People's Church" for children from first grade and up, at 9:30 a.m.

Worship services at 9:30 a.m. and 11 a.m. with the Rev. Henry Page White preaching at both services on the sermon topic "The Unoffended Conscience."

The Senior MYF will hold an informal meeting at the McCord home at 7 p.m.

Monday: All Commissions meet at the Church at 8 p.m.

Tuesday: 10 a.m. to 12 the Bible Class will meet at the home of Mrs. T. Erwin, 811 Solana Drive.

Wednesday: The Prayer Group will meet at the home of Mrs. J. Imman-Kane, 1224 Upper Happy Valley Road at 2 p.m.

Saturday: MYF cake sale at the Lafayette Community Hut. Any contributions will be appreciated.

Christian Science

Fulfillment of Jesus' promise "Ye shall know the truth, and the truth shall make you free (John 8:32) is a present-day possibility. This is a theme to be brought out in Christian Science services Sunday.

The Christian Science Churches in this area are located at 22 Orinda Highway, Orinda; 1347 Locust Street, Walnut Creek; and in Concord at the corner of Grant and Park Streets. Christian Science Society of Pleasant Hill holds its services at the Hillcrest Congregational Church on Gregory Lane.

Scriptural texts and correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy comprise the Lesson-Sermon entitled "Truth."

Among the selections from Science and Health will be read following (312:17-19, 24-26): "Mortals try to believe without understanding Truth: Yet God is Truth."

A personal sense of God and of man's capabilities necessarily limits faith and hinders spiritual understanding. The Golden Text is from Psalms (25:5): "Lead me in thy truth, and teach me: for thou art the God of my salvation; on thee do I wait all the day."

Lutheran

"Worshipping in Vain" will be the sermon theme of the Rev. Werle O. Tolleson at Our Savior's Lutheran Church, 1035 Carol Lane, Lafayette, at 8:15 and 9:30 a.m. Sunday. A nursery is provided for children under the age of three years during the 9:30 a.m. service.

Sunday School classes meet at 9:30 a.m. for pre-school through grade three; older children are invited to attend the 9:30 a.m. worship service during the summer months.

Tuesday evening at 8 p.m. the board of deacons will meet.

Wednesday evening at 8 p.m. the Mid-week Bible Study will meet.

Thursday evening at 7:30 p.m. the Youth Bible Study, for high school and college age young people, will meet at the church.

NOTICE TO CONTRACTORS

Sealed Proposals will be received by the Clerk of the Board of Supervisors of the County of Contra Costa, State of California, until 11:00 a.m. on August 5, 1958, for:

"REPAIR OF STORM DAMAGE ON NORMANDY LANE AND LA ESPERAL, ORINDA"

The work will be done in accordance with official plans and specifications prepared in reference thereto, which may be seen at the office of the Contra Costa County Public Works Department. Plans, Specifications (but not including State Specifications or other documents included by reference), and Proposal forms may be obtained by prospective bidders upon payment of a printing and service charge in the amount of Four and 00/100 Dollars (\$4.00), which amount shall not be refundable. All checks shall be made payable to "Robert H. Kinney, County Treasurer," but should be mailed to Public Works Department, P. O. Box 509, Martinez.

Bids are required for the entire work described herein, and neither partial bids nor contingent bids will be considered.

Each Proposal must be accompanied by a Proposal Guaranty in the amount of Three Thousand Five Hundred Dollars (\$3,500.00).

ENGINEER'S ESTIMATE	
1. Furnishing and Applying Water	220 Thousand Gallons
2. Roadway Excavation	8,120 Cubic Yards
3. Imported Material	5,300 Tons
4. Untreated Base	450 Tons
5. Plant-Mixed Surfacing	90 Tons
6. Plant-Mixed Dike	510 Linear Feet
7. Type "C" Inlet	30 Linear Feet
8. Type "A" Head Wall (Single Section)	1 Each
9. Concrete Lined Ditch (Type "A")	890 Linear Feet
10. 18-Inch Corrugated Metal Pipe (16 Gage)	136 Linear Feet
11. 30-Inch Corrugated Metal Pipe (14 Gage)	124 Linear Feet
12. 6-Inch Perforated Metal Pipe (16 Gage)	474 Linear Feet
13. 8-Inch Perforated Metal Pipe (16 Gage)	12 Linear Feet
14. 20-Inch Perforated Metal Pipe (14 Gage)	38 Linear Feet
15. Filter Material (Type "C")	2,800 Tons
16. Remove existing bridges	1 Lot

The foregoing quantities are approximate only, being given as a basis for the comparison of bids, and the Board of Supervisors of Contra Costa County does not, expressly or by implication, agree that the actual quantities of work will correspond therewith, but reserves the right to increase or decrease the amount of any class or portion of the work, or to omit portions of the work as may be deemed necessary or expedient by the County Public Works Director.

TIME LIMIT
The Contractor shall complete all the work on the project within thirty (30) working days, counting from and including the day following the approval of the Contract by the County.

LABOR
The attention of the bidders is directed to the provisions of the Specifications relative to labor.

In accordance with the provisions of the Labor Code, the Board of Supervisors has determined that the general prevailing rate of wages applicable to the work to be done, which shall be the minimum rates paid on this project, are as follows:

CLASSIFICATION SCALE PER HOUR

CARPENTERS (Health and Welfare Plan — 10c per hour)

When on a greasing truck, an engineer-oiler and a teamster-oiler work interchangeably servicing trucks and other equipment, their rate shall be identical.

Foremen, when employed, shall receive \$3.475 per hour. Eight (8) hours shall constitute a day's work unless otherwise specified.

The attention of bidders is directed to the provisions of the Specifications regarding Legal Relations and Responsibility.

Attention is directed to the correlation of the Specifications with the Standard Specifications of the State of California, Department of Public Works, Division of Highways, dated August, 1954, as to materials, methods, and workmanship.

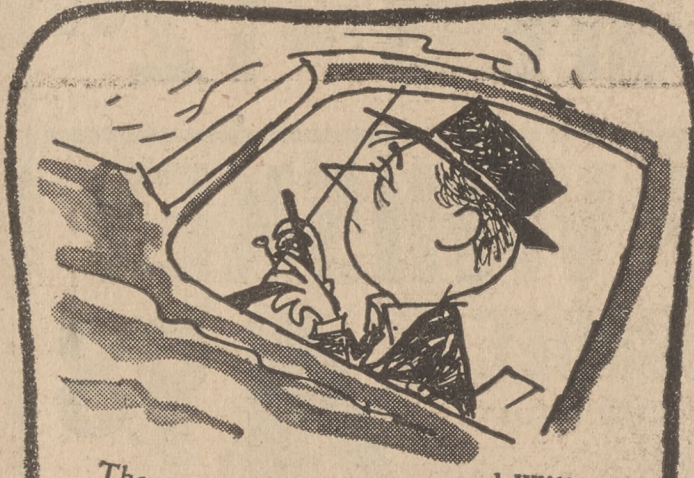

The Contractor shall perform with his own organization and workmen under his immediate superintendence, work of a value of not less than fifty percent (50%) of the value of all work embraced in the contract as required by the Specifications for this project.

The Contractor, whose bid is accepted, shall furnish the following bonds to the County (at no expense to the County) executed by a responsible surety acceptable to the County in the prescribed form:

(a) Faithful Performance Bond
(b) Labor and Materials Bond

Each of the above shall be in an amount equal to one-half (50%) of the total amount bid by the Contractor in his Proposal.

All bids must be submitted on a Proposal form, obtainable from the County Public Works Department, and shall be accompanied by

There was a young man named Will
Whose travels seemed all uphill
But the trouble was fixed
He got "76ed"
Now driving does not whip poor Will!

Yes, a tankful of New Royal 76 makes the road seem faster, shorter. Why? Because it's the West's most powerful premium gasoline!

WIN \$25.00! Send us a limerick about your favorite Union Oil product or service. If published, we'll send you a check for \$25.00. Write to: 76 Limericks, Union Oil Co., Union Oil Center, P.O. Box 7600, Los Angeles 54, Calif.

76

UNION OIL COMPANY OF CALIFORNIA
TUNE IN: 76 Sports Club on ABC-TV - Free Sports Books at your Union Station

a Proposal Guaranty in the amount of Three Thousand Five Hundred Dollars (\$3,500.00). Guaranties shall be in the form of certified check, or cashier's check, as provided in the section of the Specifications referring to Proposal Requirements. Bidder's Bonds will not be accepted. Failure of the successful bidder to execute and return the contract, or to file acceptable bond, as required, within the time allotted shall be cause for the annulment of the award and the forfeiture of the Proposal Guaranty. All guaranties not so retained by the County shall be returned to the bidders within fifteen (15) days after the award of the Contract.

The Contractor shall commence work within fifteen (15) days after approval of the Contract by the County.

The Board of Supervisors of the County of Contra Costa reserves the right to reject any or all bids.

Requests for forms, or information shall be addressed to the Office of the Public Works Department, Post Office Box 509, Room 235, Hall of Records, Martinez, California.

Proposals shall be filed with Walter T. Paasch, Clerk of the Board of Supervisors, Hall of Records, Martinez, California.

Said Proposals will be opened and read by the Clerk of the Board of Supervisors at 11:00 a.m., on the day specified above for receiving bids, or as soon thereafter as the matter may be heard. The clerk will read only the total amount bid and not specific items going to make up said total, unless written request for the reading of such subtotals and individual items of the bid is received at the time of the submission of Proposals. Bidders will be at liberty to inspect and review bids in the Office of the Public Works Director, to which they will be removed for the purpose of checking, after the opening and reading of the totals by the Clerk of the Board of Supervisors.

By order of the Board dated this 15th day of July, 1958.

W. T. PAASCH, COUNTY CLERK and ex-officio CLERK OF THE BOARD OF SUPERVISORS, County of Contra Costa, State of California, By M. A. Smith, Deputy Clerk

Go To Church Sunday

Covenant

Rev. William C. Mays' sermon topic will be "Benefits of God's Presence". Psalm 16 at the 11 a.m. service at Lafayette Covenant Church, Brook Street and Moraga Road.

Sunday School for all ages at 9:45 a.m. A warm welcome is extended to all to attend.

At 6 p.m. Senior Young People resume their meetings at the church.

At 7 p.m. Rev. Mays will speak on "Absent From the Body—Present with the Lord", 1 Thess. 4:17.

Wednesday, Prayer Meeting and class in "Christian Character Course" 7:30 p.m.

July 29, at 8 p.m. congregational quarterly business meeting at the church.

Congregational

"The Upward Call of God" will be the sermon topic at the 9:30 and 11 o'clock services at the Orinda Community Church, Al Hammons, a student at the Pacific School of Religion, will preach the sermon. Maurice Ellison will sing "The Publican" by Van de Water.

Church School for three-year-olds through the 8th grade will be held at 9:30 and 11; infant care at 11 o'clock.

Senior Pilgrim Fellowship will meet at the church at 7 p.m. Discussion will follow the showing of "Far From Alone".

Orindans Enroll On Davis Campus

Yvonne Marie Nicolet and Sue Elsa Reinhart of Orinda have been admitted for the fall semester on the Davis campus of the University of California. Both are 1958 graduates of Acalanes High School.

Miss Nicolet is the daughter of Mr. and Mrs. Joseph D. Nicolet of 76 Tarry Lane, Orinda. She has been admitted to the College of Letters and Science and plans to follow the curriculum in pre-nursing.

Miss Reinhart is the daughter of Mr. Arthur Reinhart and the late Louise Reinhart of 104 Brookside, Orinda. She also has been admitted to the College of Letters and Science.

Orindans Guests At Pebble Beach

The Pebble Beach Junior Tennis Club were hosts last week to the Orinda Country Club Junior Tennis Club. Mrs. James Sharp brought the Orinda group to Pebble Beach for a tournament, luncheon at the Pebble Beach Tennis Club, and a swim later at the Tennis Ranch in the Carmel Valley.

Orinda juniors included Judy Hopkins, Cherie Sharp, Diane Traverso, Connie Cook, Adele Broginski, Diane Bouhaden, Carol Gilmore, Nancy Bouhaden, Dick Stark, Mike Downs, Gerry Hopkins and Roy Rocca.

Institute Elects Carl E. Anderson

Carl E. Anderson of 3 North Lane, Orinda, has been elected a member of the American Institute of Certified Public Accountants.

Anderson is associated with the San Francisco office of Arthur Andersen & Co.

Hudson In Victoria

Taft C. Hudson, seaman apprentice, USN, son of Mr. and Mrs. Edward B. Hudson of 261 Glorietta Boulevard, Orinda, is aboard the attack aircraft carrier USS Bennington which visited Victoria, British Columbia, with a Navy task group.

Contractors' Bar-Be-Cue Is Big Success

Jack Eymann, president of the General Contractors Association of Contra Costa County said that the recent annual summer bar-be-cue held at the Marsh Creek Lodge was a great success.

"More than 125 members and their wives were present for the festivities," he said.

A membership certificate was presented to Richard Donovan, manager of the Pleasant Hill Branch of the Bank of America, in recognition of his organization's affiliation with the contractor's group, Eymann stated.

"The final order of business was the announcement that for the second consecutive year the board of directors had declared a dividend of forty-two percent for the members who participate

Star Sopranos Sing In Opera

The San Francisco Opera's 1958 roster abounds in renowned star sopranos.

Among the famed singers engaged by Kurt Herbert Adler for the season opening September 12 are Eileen Farrell, Lisa Della Casa, Elisabeth Schwarzkopf, Christel Goltz, Eugenia Ratti, Leontyne Price, Leyla Gencer, Sylvia Stahlman and Leonie Rysanek.

in the Workmen's Compensation Group Insurance Policy," he said.

"Realizing that safety on the job is one of the most important factors in our business, the membership working with the Safety Committee, headed by Angelo Davi of Pittsburg, continued the Association's education program based on the reasons for safety and how to acquire safe working habits," Eymann stated.

Barry A. Smith Attends Course At Colorado U.

Barry A. Smith, 4 Holcomb Street, Walnut Creek, attended college of business at the first summer session of University of Colorado, Boulder, June 13 to last Friday.

Enrollment at this year's University of Colorado Summer Session is 5327. This makes it the largest summer school in the West and one of the largest summer schools in the country.

Berkeley Grads Plan 10th Reunion

The executive committee headed by the class president Dick Nemanic is making final arrangements for the tenth anniversary reunion of Berkeley High School Class of June, 1948, which will be held in the form of a dinner party at the El Nido on October 4.

Lowes Visit Inn

Mr. and Mrs. Fred Lowe of Walnut Creek were recent guests of the Surf Rider Inn in Santa Monica.
